ALMA MATER

HIGH in air thy spires are tow'ring
Gleaming in the light,
While, their solemn shades embow'ring,
Waves the Blue and White —
Furling in its tranquil beauty
O'er a body true —
Sons and daughters bound by duty
Give their love to you.

Thy bright emblem shining o'er us
Shows thy glorious might
Through the years thou safely bore us
Spotless Blue and White.
Sons and daughters bring thee praises,
Bring thee praise and fame,
And thy standard high upraises —
Herald of thy name.

May thy honor all-undying
Keep thee ever free,
Through the years behind us flying
Oft proclaiming thee.
Kindly Mother — Queen of pleasure —
High above the rest —
May the passing years, the measure
Prove thee still the best.

— Ernest Nathan, '21.

FOREWORD

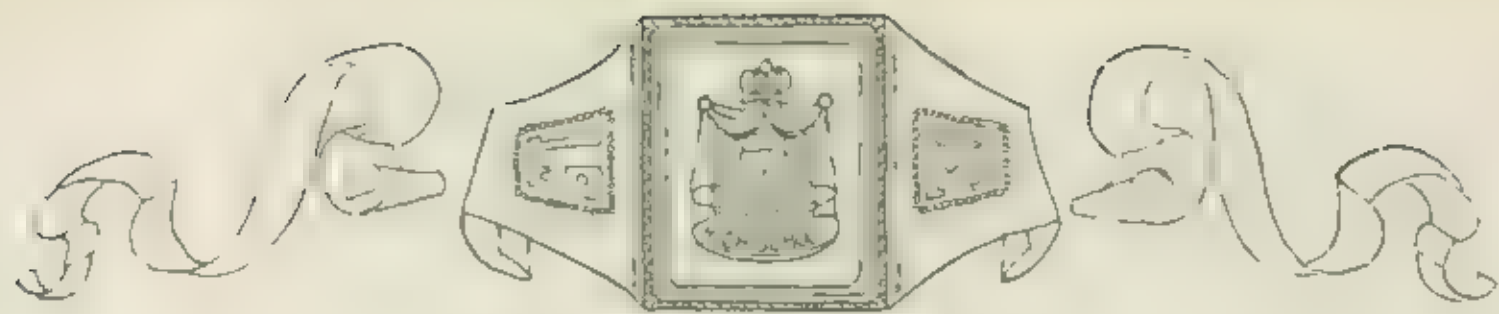

EACH year a new group of students leave WARREN HIGH to meet the bigger things in life. They have had struggles, trials, triumphs, and friendships during their four years in high school. These they wish never to forget. It is for the purpose of preserving these experiences in an interesting way that this, *The XXIII Volume of the DRAGON*, has been planned.

ALUMNI ASSOCIATION

THE Alumni of Warren High School, for the present year, is headed by the following officers:

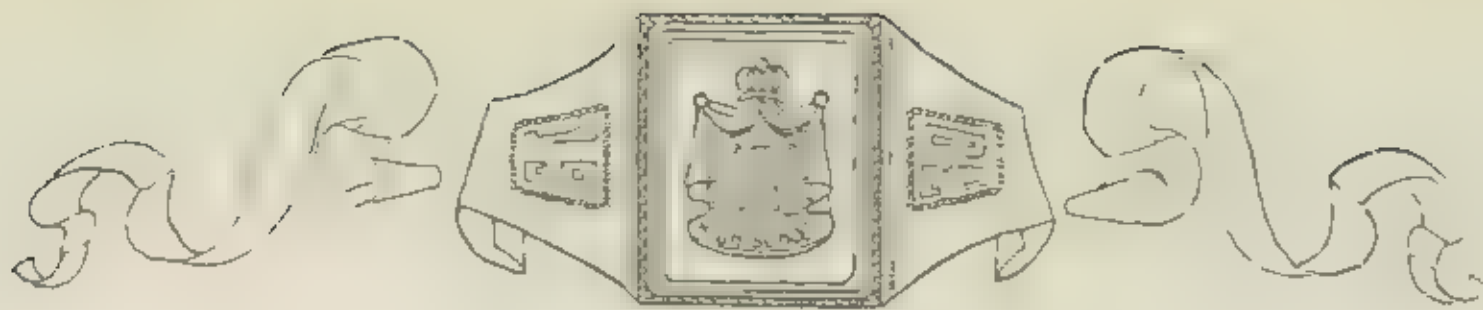

<i>President</i>	GEORGE WHOLEBEN
<i>Vice-President</i>	MYRON JEWELL
<i>Secretary</i>	ANNETTE STONI
<i>Treasurer</i>	FRED GIBHARDT

For several years the Alumni Association was content to merely fete the members of the graduating class by giving a banquet in their honor at the end of the school year. In 1925, however, the ambitious officers of that year decided that the activities of a growing organization, such as ours, should be more extensive. They at once set about to complete the Alumni filing system. In this system each member is listed by name on a card bearing his name, address, and the year in which he graduated. This file, which is now complete to date, furnishes an excellent record. In this same year (1925) the Association began to tax each member one dollar per year. The purpose of this taxing was to build up in the treasury a fund which would be sufficient to award a scholarship each year to a student of the graduating class. This student was to be selected by competitive examinations. It was specified also that this student must be one who desired higher education, but who did not have the means, financially speaking, of getting it. This fund has now reached quite a satisfying amount, but it is not yet sufficient to begin the awarding of scholarships.

The officers last year added another interesting feature to the Alumni activities. They decided to select, each year, some graduate who has made a name for himself since leaving Warren High School, and to place his name in the Alumni Hall of Fame. This idea will undoubtedly prove to be of great success, and it should arouse much interest among the members of the Association.

At this time the Warren High School Alumni Association wishes to congratulate each member of the graduating class of 1930, and it extends to them, as future members of that organization, a hearty welcome.

—GEORGE WHOLEBEN.

CLASS POEM

GOOD news it is to hear people say
That this is our graduation day.
But sad news it is when we learn
That this is the last to our concern.
Lower classmen may be eager to leave
While we regret that we must receive
Our diplomas, the words of farewell,
And also the tears which we cannot repel.
But we must go on and leave our place
To all you others who can keep the pace.
For after all, we must take our turn
To say "Goodbye," sturdy and stern,
To the Faculty—who have been so true,
And also you Juniors—we have faith in you.
We all may be scattered through the walks of life,
But we'll never forget Warren High in our strife.

— CLASS POET.

CLASS HISTORY

THE essence of the word, "history," reveals to us that this yarn of ours must include a narrative of events connected with a real or an imaginary object. May some worthy arbitrator inform us as to which of these adjectives is descriptive of the Class of '30. Following the custom of many past generations, our summary will be divided into ages that best describe or characterize the development of our present culmination as another group or seniors graduating from Warren High School.

During the fall of 1926, some divine power selected 300 youthful citizens of our city to seek their education in Warren High. Through the doors, which were opened to us, we entered with a noise that probably reminded the various history teachers of the "Fall of Atlanta." More deafening was the noise when we endeavored to find our assigned classrooms after being led into the channels of school supervision. Because this was our "AGE OF INNOCENCE," our undue clamor and variation of noise was overlooked by the faculty, although the need of immediate organization was readily seen. The following students were chosen to devise a plan of action for the ensuing year:

<i>President</i>	RICHARD HEASLEY
<i>Vice-President</i>	NELLIE TAYLOR
<i>Secretary</i>	HOWARD COLT
<i>Treasurer</i>	VIRGINIA SLACUM

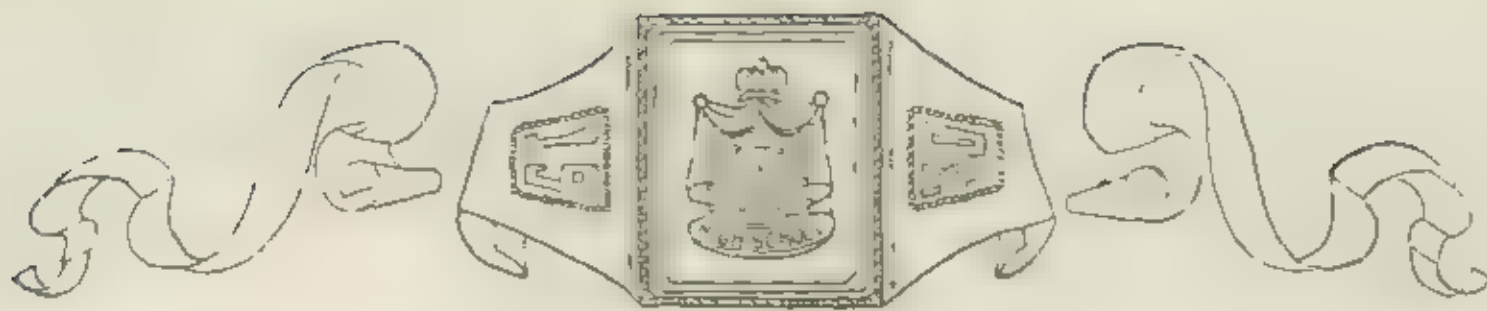

This first historic age was climaxed with a Freshman-Sophomore party which — outside of showing what we looked like when we were dressed up — was a means of becoming better acquainted with our school associates.

On our return to school in our second year, we were sophomores. Records inform us that the following members served as class officers that year:

<i>President</i>	GILBERT CHECK
<i>Vice-President</i>	EUGENIA KEHR
<i>Secretary</i>	DONALD C. ANDERSON
<i>Treasurer</i>	THOMAS WELLS

Because of our slight participation in school activities during our freshman year, we were now forced to live in the "AGE OF SILLINESS." It was during this year that our existence really became known. Some of the boys received their first letters in athletics, and the rest of us joined the various club activities. Several successful parties were held, that year, and the enthusiasm which was characteristic of those events showed that the Class of '30 was willing to support anything which was to be sponsored in the interest of the class.

Our junior year may be truly branded the "AGE OF AMBITION," for it was during that year a worthy precedent was established for succeeding classes. We, as a class, presented for the first time a junior play, "A Scrap of Paper."

The officers largely responsible for our ever-increasing activities were the following:

<i>President</i>	DONALD C. ANDERSON
<i>Vice-President</i>	EUGENIA KEHR
<i>Secretary</i>	NELLIE TAYLOR
<i>Treasurer</i>	DAVID A. SMITH

The fact that we had an undefeated football team in 1928 cannot be wholly attributed to the previous graduating class because six of our men were members of that team. Five letters were likewise received in basketball. The first visible signs of our graduation was seen when we received our junior rings. These were unique because of their stone settings and the colors which were later adopted as our class colors. On January 12, a Junior-Senior party was held. It would have proved undoubtedly a far greater success if some of our young men had not been so reluctant in approaching the fair damsels and entreating each of them to be "his for the evening."

The time for the actual deciding of class supremacy drew nigh, and although the methods used were incomparable to previous fights, we were forced to bow, though unwillingly, before the seniors. Many of our class attended the annual class day exercises only to be awakened by the fact that the responsibilities, relinquished by the graduating class, were to be ours to assume and to carry out until we were prepared to repeat the same ordeal the following June.

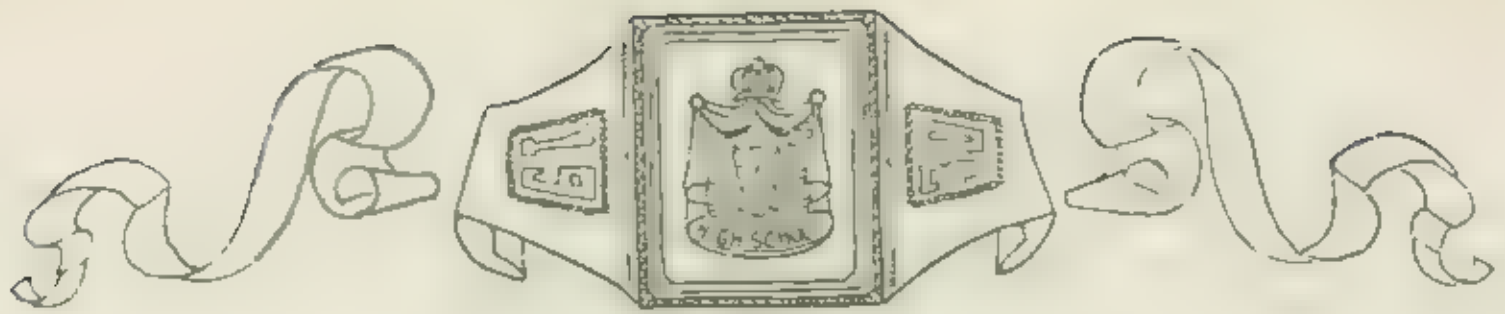

In September, 1929, we entered into our age of school existence which was named the "AGE OF DIGNITY." After the usual eliminating procedure, the following were elected to lead the illustrious class to its climactic ending:

<i>President</i>	TROY MARTIN
<i>Vice-President</i>	LOUISE URBANSKI
<i>Secretary</i>	JACK BECKLEY
<i>Treasurer</i>	NEIL CULBERTSON

The enthusiastic spirit, characterizing our beginning as seniors, was quelled as we mourned the death of a most popular and esteemed member, Henry Schindler. Upon our graduation, we shall still remember him as being one of us.

The foremost positions in athletics, on school publications, in dramatics, and in debating have been held by the seniors during the past year. This partly explains the continued success of these activities. With the passing of the usual class parties, class day exercises, senior play, Baccalaureate sermon, and Commencement exercises, another group of seniors will be cast into the gulf of earthly existence to place into use such knowledge which became theirs as a result of four ages of learning spent in Warren High School.

— RAYMOND K. SWANSON.

CLASS PROPHECY

THE room recedes into a dreamy, blue mist, and gradually familiar faces come before me. Slowly the thought grows on my deadened brain that I am seeing the future of the illustrious class of '30.

June Snyder is smiling her way through many Pepsodent advertisements to fame and fortune.

The following big advertisement runs through all the leading magazines: "How to obtain personality in twenty days. I can give you personal magnetism or your money back. Be the life of the party. Learn to have charm with the women. Send this coupon and five cents to Richard Heasley."

I see a lecturer's platform with Lucy Moran eloquently expounding on "How to Improve your Conversation and How to Reach Great Heights."

A huge building comes into view with the following sign: "Home for Homeless Cars, affectionately dedicated to the sacred memory of the 'Mayflower,' owned and operated by Burch, Colt, and Dentler."

Rose Davis is patiently awaiting the day of Frosty's graduation and their subsequent marriage.

Troy Martin has been unable to resist the lure of the footlights and travels all over the country lecturing on "The Benefits of Public Speaking" and "Proper Color Harmonies."

There has been a very tragic accident. We announce it with great sorrow and regret. In a moment of the most dreadful display of insane jealousy, Paderewski assassinated our much honored pianist, Hubert Zwald.

Being of very retiring natures, Grace Greer, Alice Harrington, Doris Cole, and Klair Mead are ideally situated as teachers in a deaf and dumb school. These girls could teach anyone how to talk.

Jim Madden and Loren Bidwell have jointly written a book entitled, "How to Avoid Women Successfully," while Cal Buerkle has gained fame in the literary world with his masterpiece, "The Duplicity of Women."

Florence Lindberg is suffering from measles, after using the latest cream which Evelyn Leonhart recommends for curing a blush.

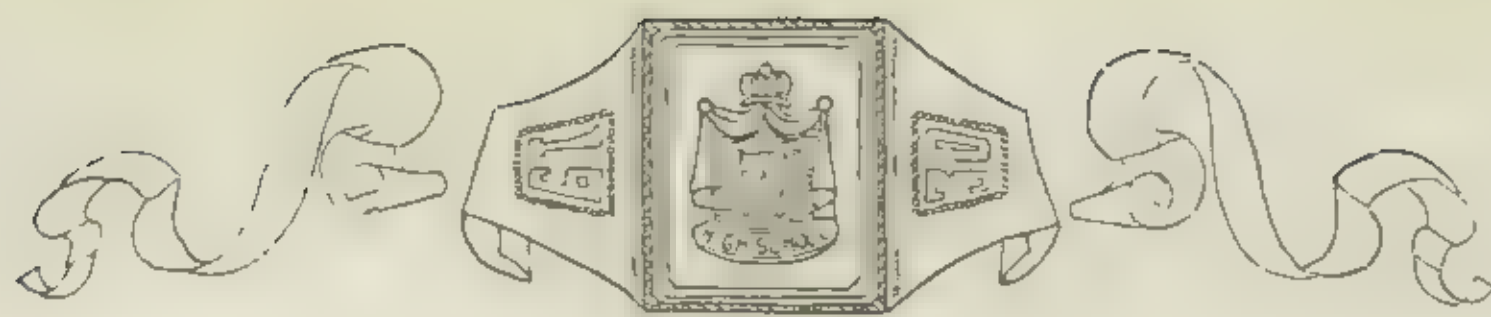

People from all over the world are flocking to a little shop on Fifth Avenue, run by Louise Urbanska, to have her tell them their faults. Her number of clients is increasing daily, for all have unbounded faith in her frankness.

Gene Kelly, Bob Davidson, Jack Beckley, and John Stewart are making plenty of money in New York. When they have enough, they plan to settle down in Erie.

The two best little fellows that ever flapped a wicked flapjack in a window of Childs' are Don Anderson and Walt Maurer. We always predicted that these boys would have the eyes of the world upon them no matter where they bent their numerous talents.

Harriet Borg, Neva Anderson, and Frances Johnson are hostesses of a New York night club. Wouldn't you just know it?

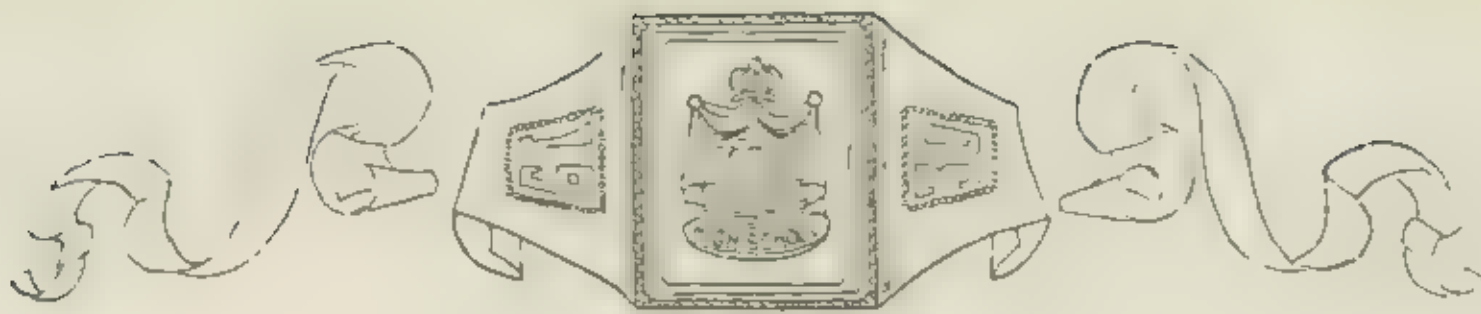

But now the mist begins to recede, the old familiar faces vanish once more from my sight, and I go on once more as before, little caring what may happen to the people all around us.

A flame of red and good cheer
Another big party tonight
Great athlete among women
The second of those famous brothers
And they shoot guys like Lincoln
Wants to grow up
Trying for glory in history
A girl of mystery
Above all, I like girls
Thou art too young to think of love
It can't be that she is Irish
A bold bad fellow
Goes quietly along
He's got a mean eye for business
She poses for "Fischer Bodies"
Another little songbird of the Glee Club
I'm a "flunkie" now
Will we say — "N."
A game, plucky little girl
Ruth's shy sister
Too young to know how to behave
Dorothy's sister
That derby, large coat, and serious look
Soft-soaping teachers
Those eyes and bewitching looks
How many, five?
A teacher's favorite
Skunk catching is becoming a game
Our future Hollywood star
Wait'll I work up my Irish
We like her style and grace
Our beautiful blonde mannequin
A cook, a gum machine, and an agriculturist
The girl from Woolworth
Another from the haunts of N. W.
Shaver, speedy, what have you?
A rose without a thorn
Playing with P. J. in study hall
Petite but blessed with brains
I work when I work and play when I play
A good girl and an excellent student
Red doesn't always betray temper
Our little coquette
Oh, what a student
It runs in the family
Bashfulness is an ornament of youth
Who doesn't get tired of work?
My hobby? You can't guess
Ain't love grand?
Where have we met before?
What's the cause of that?
The little roadster and what's behind

Spare your breath to cool your porridge
I can't shoot pool like (fish — shark)?
Is that supposed to be funny?
Always busy, football, V2B, "Sugar Bowl"
Lee's sister
Good silence is near holiness
A fair, jolly, and cheerful lass
Engaged???
Those eyes are always merry
The handsome little boy
Running home from school
One of the big three
I'm too scared to even think
Engaged!! W'ho???
Student of Lionel Strongford
Playing pool or driving a "Chevy"
I'm training to be a boxer
Sly in studies, y como!!
Every day I work harder and harder
When I was a freshman
She picketh up one and sitteth down another
I love a good time all the time
W'hat's in a name?
I'm tired and hungry
Am I seeing things?
Stepping out!
Nary a word escapes her lips
Carrying books
That big bewitching smile
We all love violets
No one has a name like mine
Sounds good
Local athlete!!!
Where's sorority meeting?
Studying is one awful grind
Women of few words are the best
Quietness is a gift few possess
Happy, vivacious, and always gay
Another "Leila" of phonograph record fame
Newsboy, Boy Scout, Islander
Work is a pleasure for me
Better men than you in jail!
Was the train late?
W'ish we had those curls!
Canoe liveries are my joy
Don't rob the cradle
De Etta's side-kick
All who know her, love her
W'hat's that growth on my face?

ACTIVITIES

[Football Squad]

FOOTBALL

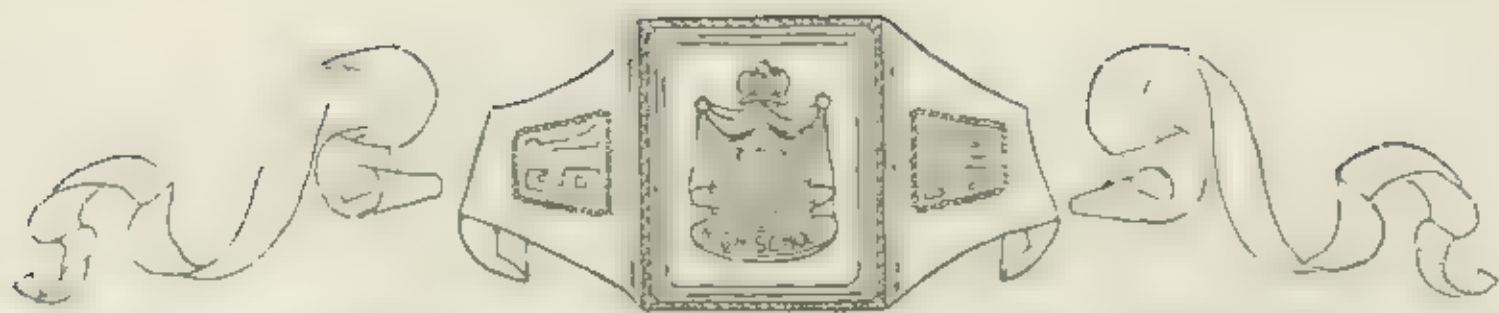

THE 1929 season will stand out vividly, during our later years in life, not because of another championship team but because of the various things which befell the squad.

A "jinx" invaded the ranks of our warriors, and it made its visit a lengthy one. It did not depart until the football togs were donned for the last time. Minor injuries became prevalent during the opening weeks of practice, and the first serious blow came when "Jim" McConnell, varsity end, suffered a broken leg. The climax to our rather unsuccessful campaign came when "Heinie" Schindler, regular tackle, died of pneumonia. "Heinie's" death came as a severe shock. His absence was keenly felt on the gridiron.

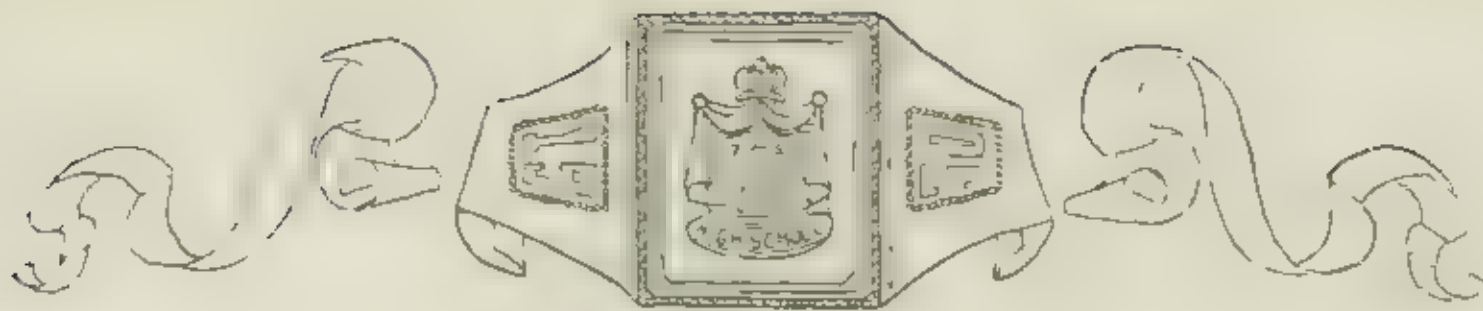

Regardless of these bad "breaks" the team plugged away in a vain effort to uphold the record of Warren High teams — that of winning more than half of the games on the schedule. We can all take off our hats to the '29 eleven because they went down to defeat as gentlemen; they fought with spirit, courage, and stamina. The second and third teams must also be given a share of the credit, for without them a varsity would be impossible.

This is their record:

Warren 0	Sheffield 0
Warren 25	Youngsville 0
Warren 13	North East 12
Warren 12	Dunkirk 13
Warren 0	Erie Central 14
Warren 6	Oil City 30
Warren 0	Meadville 48
Warren 0	Kane 0
Warren 0	Jamestown 27
Warren 0	Erie East 19
Warren 24	Johnsonburg 6
Warren 0	Niagara Falls 13

[Lettermen]

LETTERMEN

EDWIN BRADFORD: "Ed" proved to be an ideal leader. He carried on where "Ange" left off.

ALBERT HOLCOMB: "Lanky" hit that line like a battering ram. He was the most consistent ground gamer on the team.

MARTIN SCHAEFFER: A fast half back — "Shay." He reached great heights in the Jamestown game.

GEORGE CARLSON: He was a tower of strength on the offense and defense. "Judd" showed college class in the Meadville encounter.

GILBERT CHECK: "Gibbo" was a hard worker. Although inexperienced, he stepped in when help was needed.

VICTOR LANDERS: "Vic" was the midget of the team. What he lacked in size, he made up in speed and grit.

ARTHUR CARLSON: "Art's" ability as a forward pass receiver and as a consistent player made him outstanding.

NEIL CULBERTSON: Here was a trojan for work. Although hampered considerably by injuries, he stood the "gaff" and earned his "W."

HENRY SCHINDLER: "Heinie's" performance stamped him as the third member of the Schindler family to spread terror into opposing elevens.

EDWARD JEFFERSON: "Eddie" was a hard running streak, who showed best when the war became the hottest.

THOMAS CREAL: "Tom" started as a half, but shifted over to quarter where he showed promise of developing into a brainy leader.

JOE SCALISE: "Jaidy's" uncanny ability to diagnose plays and his deadly accurate tackling made him an outstanding player.

RALPH GELOTTE: "Jelly," handicapped by ineligibility and injuries at the start, proved to be a valuable man on the home stretch.

GERALD IRWIN: "Bus" is a sure-smashing tackler and an exceptional man at breaking interference.

JOSEPH ALLEN: "Foggy" was the best passer of the year. He has the makings of a triple threat man, being a passer, a kicker, and a ball-carrier.

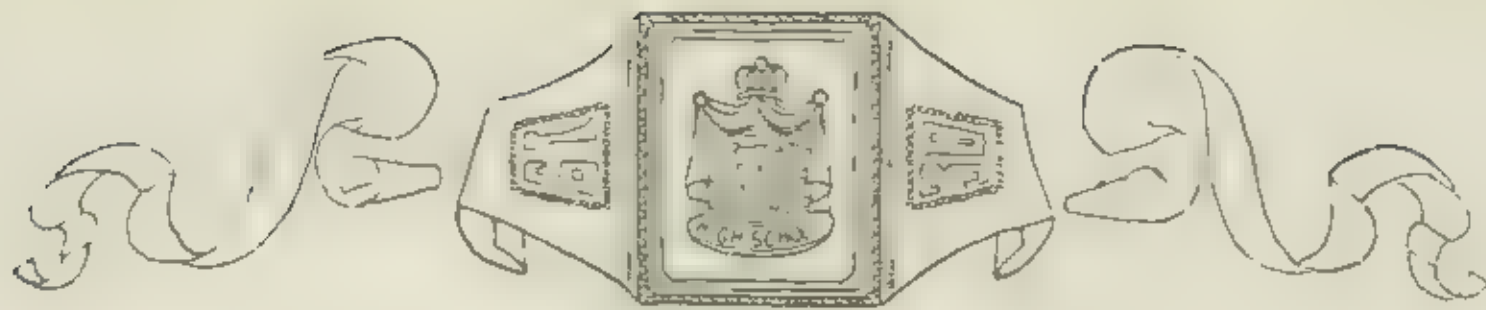

FRED DONOVAN: "Moses" showed flashes of form during the season. He displayed his best work in the annual Jamestown game.

LEROY GILSON: "Mood" was the type of lineman who took great care of everything that came in his path. He was a willing worker and a world-beater for punishment.

TROY MARTIN: Troy successfully fulfilled the shoes vacated by Mickelson. He was always on the job and encouraged the fellows along.

WARREN Varsity

BASKETBALL VARSITY

THE "Dragons" experienced a fairly successful year, having won nine games and lost nine. Figures fail, however, to determine the power of the team, for they accomplished several notable feats. The outstanding event was the defeat of the strong Erie Academy quintet. This was the first league game that Warren has won in two years. In the second game of the league with Erie Central, Warren met defeat in an overtime fracas. After being defeated twice by the powerful Erie East five, Warren finished third in league standing, having two victories and four defeats.

The "Dragons" closed the season with a brilliant 36-20 victory over Kane. This was the last game to be played on the high school "gym." Next year the Beatty school floor will be used.

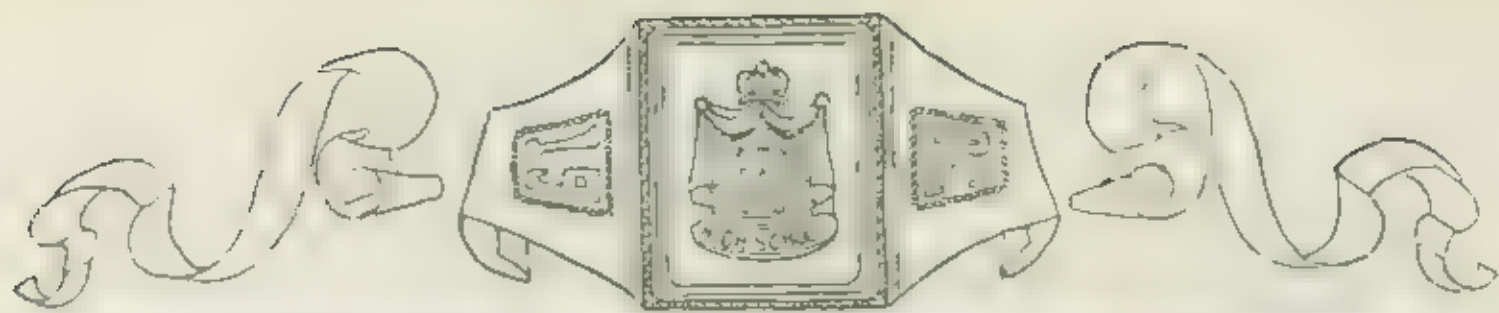

Although this was Coach Kolpein's first year as coach in Warren High, he turned out a well-balanced team, which at times showed championship form. Next year's team has high prospects, because, by that time, the comparatively new Kolpein methods of basketball will have been implanted in the minds of the candidates.

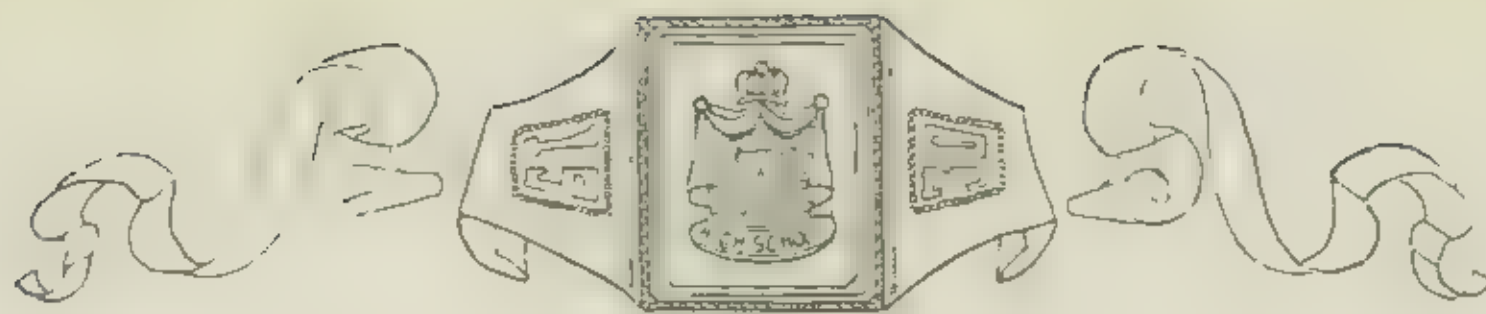

The leading individual scoring honors were captured by "Jaidy" Scalise with 137 points and Captain "Gene" Kelly with 121 points.

The following earned their "W": "Gene" Kelly, "Jaidy" Scalise, Fred Donovan, "Art" Carlson, "Bob" Kopf, "Ray" Caldwell, "Vern" Pearson, "Bob" Coates, and Manager Fred Olson. Of these, Scalise, Coates, Donovan, Kopf, and Caldwell will return next year.

BASKETBALL

SECONDS

THE Second Team, handled jointly by Kolpein and Leidig, turned in a better record than the Varsity by registering fourteen victories and ten defeats. Led by Coates, Jensen, Caldwell, Pearson, and Gelotte the Dragon juniors amassed a total of 497 points to their opponents' 393. This clearly shows their superiority over their rivals.

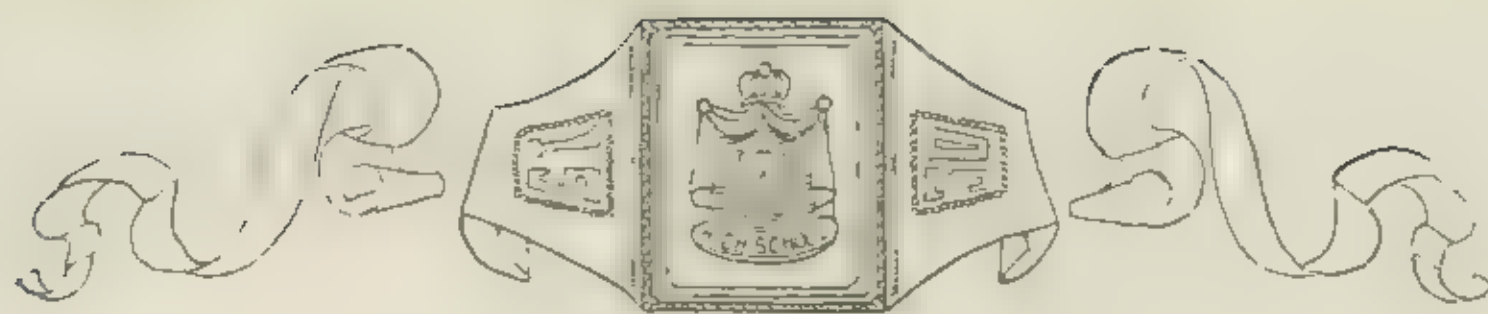

The general all round play of the Seconds was characterized by their speed and ability to "come from behind." They started a winning streak which extended to seven consecutive victories before it was broken by Kane. This was their outstanding performance during the season. The players on the Seconds will fight hard for varsity berths next year. All have plenty of natural ability, which can easily be developed. The following composed the squad: Jensen, S. Kelly, Gelotte, Smith, Ryberg, Crossett, Lytle, Miller, Gettings, Lindquist, and Forbes.

Their record:

BASEBALL

SINCE school was placed on a yearling basis a few years ago the sport has gained many followers in Warren High. It was due to the enthusiasm of the students that this sport was retained in our school.

The 1929 team was bolstered by a large number of lettermen who returned from the championship team of '28. The team had a difficult schedule, but it managed to pull through with 14 victories, 7 defeats, and one tie. This record gave the team a percentage of .666, which is above the average for high school nines. According to figures compiled at the end of the season, Kelly led the hitters with an average of .372, while our home-run king, "Jelly" Gelotte, was second.

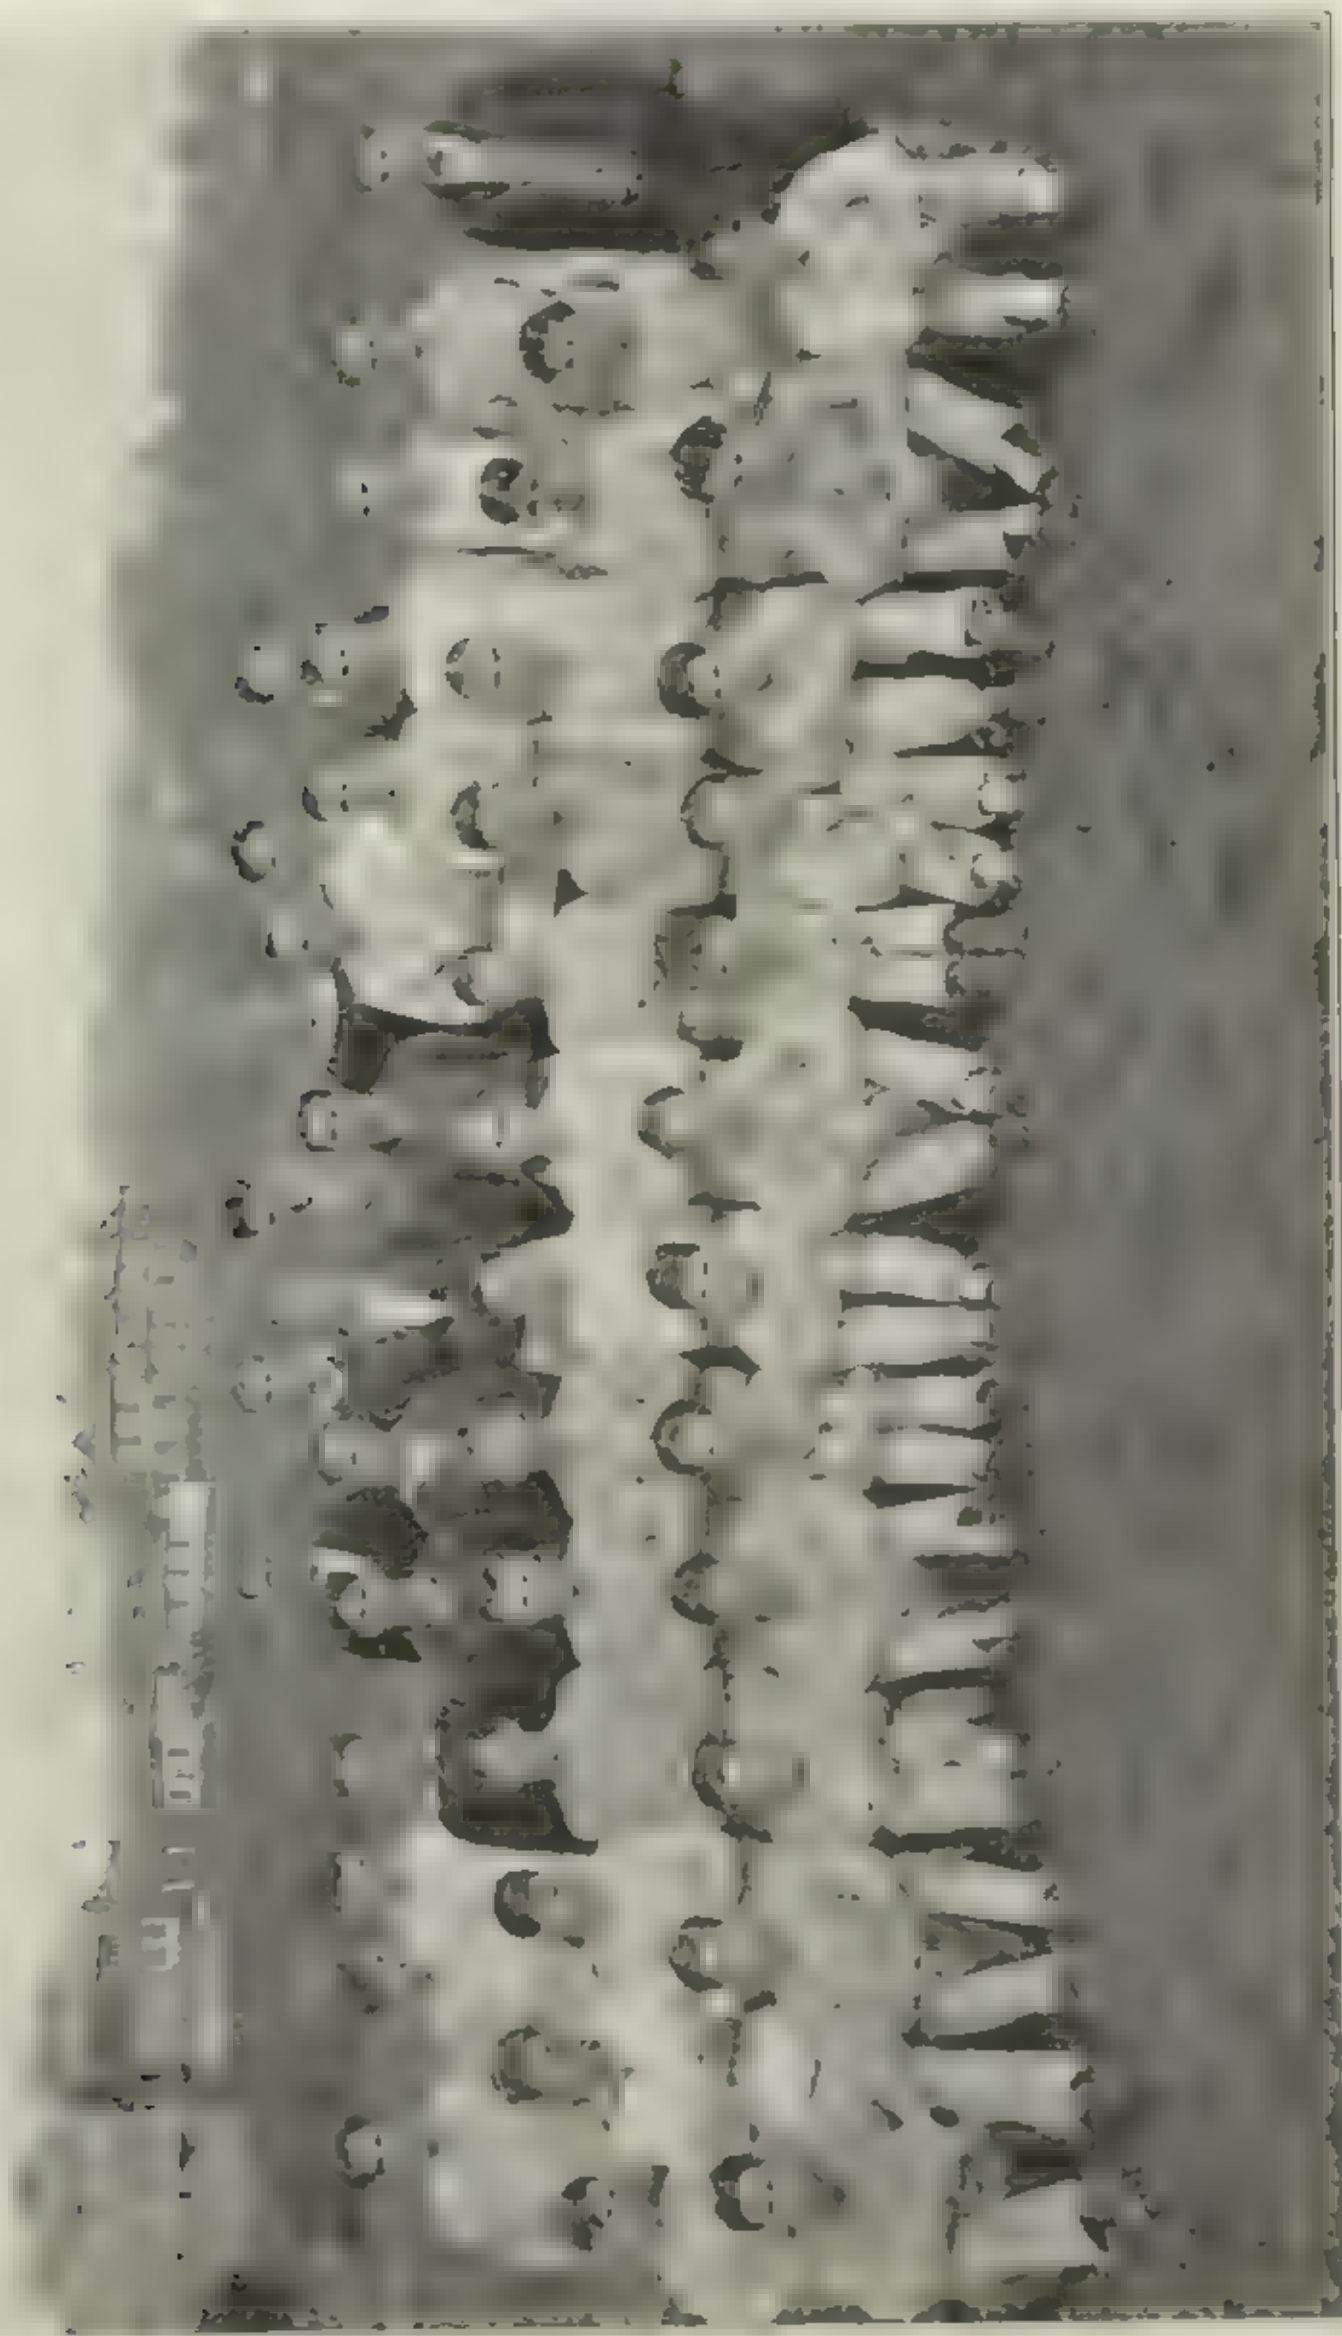

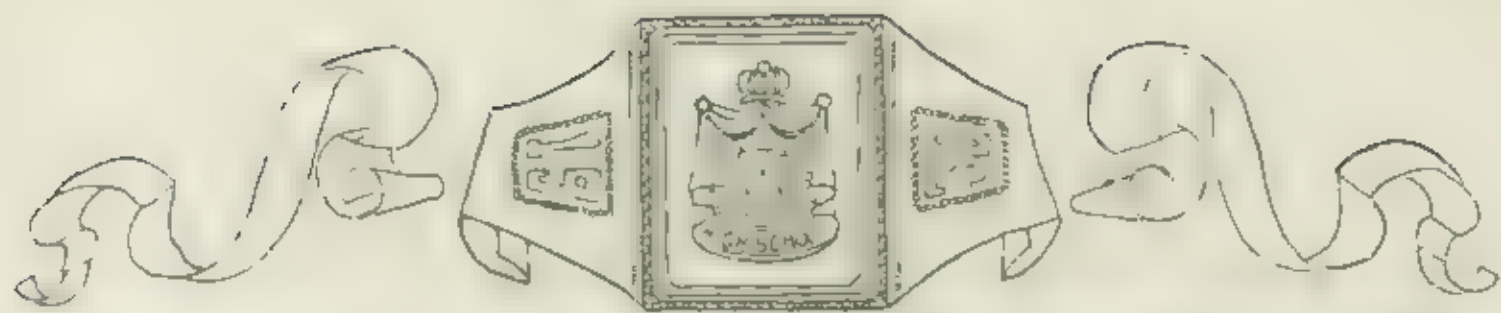

The leading pitcher was "Foggy" Allen, who turned in some remarkable pitching performances, especially in the Oil City and Titusville games which he helped to win 7-6 and 6-3, respectively.

The Seconds played a few games in order to gain experience under fire. They played Russell, Tidioute, Lakewood, Garland, and a few other local teams.

The '30 team, with a few breaks, can look forward to a bright season. Among the lettermen who are returning are Kelly, Scalise, Allen, McConnell, Mastrucci, Gelotte, Pearson, Gilson, Barto, and Frederickson. The lettermen who will not be able to return to the team this year are Bradford, Casper Scalise, and Hedges.

The Varsity record:

Warren	5	Corry	3

[Track Team] —

TRACK

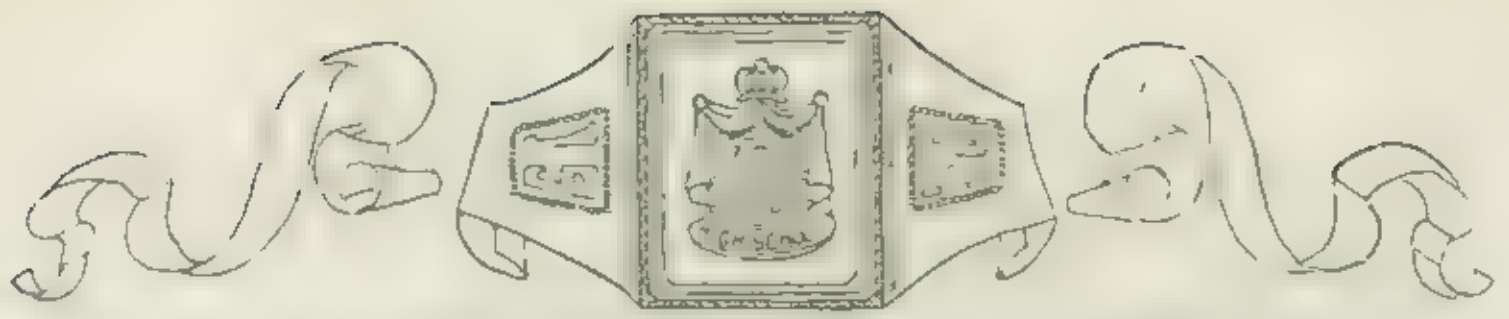

THE record of the '29 track team is very impressive. Warren won all but one dual meet and was placed third in the District Meet, held at Bradford. This feat was considered remarkable because of the strong competition encountered. When one stops to consider that Warren was placed third, he should remember that in doing so, it was forced to defeat Erie East, Erie Central, a great Sharon squad, Grove City, Bradford, and many other high-powered teams of Northwestern Pennsylvania. Besides the squad's splendid showing as a unit, several other noteworthy things were accomplished. First, there was Captain "Bob" Schindler's work in the discus. "Bob's" performance was sensational, for he broke both the state and district mark of 117 feet and 4 inches by hurling the discus 120 feet and 8 inches to capture first place. The former record was held by Monte Scott of Warren. This mark of "Bob's" is certain to remain intact for a long time. Next to "Bob's" work came the sterling race which Donovan gave DeTeurk of East in the 440 yard dash. Fred was nosed out by a scant margin only, after a gruelling run.

The lion's share of the credit for the victories rightfully belongs to Coach Harry C. Hutchings who made a name for Warren High in the realm of track. "Hutch" had track in his hands from the start. He nursed the sport along with great success. He turned out championship teams year after year and established track firmly as a paying sport. In addition to that, "Hutch" developed numerous stars, such as Monte Scott, Lawrence Clark, "Bob" Schindler, Eberhardt, and Phister.

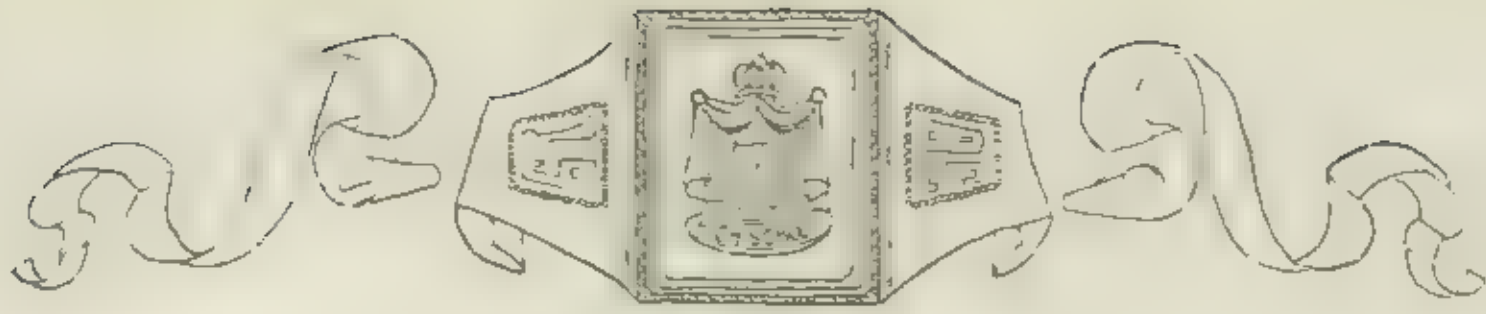

In summarizing the work of the '29 team one can easily see that it was not a one man team but a collection of many stars in a variety of events. Outstanding among the dash men were Bidwell, Creal, Donovan, and Beckley; in the distance runs Geitner, Juliano, "Art" Carlson, "Don" Anderson, and Moran upheld our colors notably. The field events were taken care of by Schindler, Becklev, Gafner, Muir, Irwin, and the diminutive "Vic" Landers. Each of these boys earned his "W."

This is the record of the team:

Warren 62	Smethport 44
Warren 84	Bradford 29
Warren 74 $\frac{1}{3}$	Youngsville 29 $\frac{1}{3}$
Warren - Third in District Meet	
Warren 56 $\frac{1}{2}$	Erie East 65 $\frac{1}{2}$
Warren 65	Jamestown 35

GRACE GREER

IN writing the past year's activities of the Girls' Club we find many interesting things to set down. With a membership of two hundred and twenty-two — almost a hundred per cent. gain over last year's record, we hold the honor of being the largest club in Northwestern Pennsylvania.

Our Kiski delegates brought back enthusiastic reports, and many of their unique ideas have become actualities. Some of the innovations were "Doughnut Day," a new form of Recognition Service, and a Beauty Talk.

The cabinet members held an all day "setting up conference" early in September. At that time they made extensive plans for the entire year.

In our Recognition Service — made most impressive with the Ship Theme — we welcomed the many new members into the organization.

Needless to say, the annual Hi-Y Girls' Club Hallowe'en party "went over big" in every sense of the word.

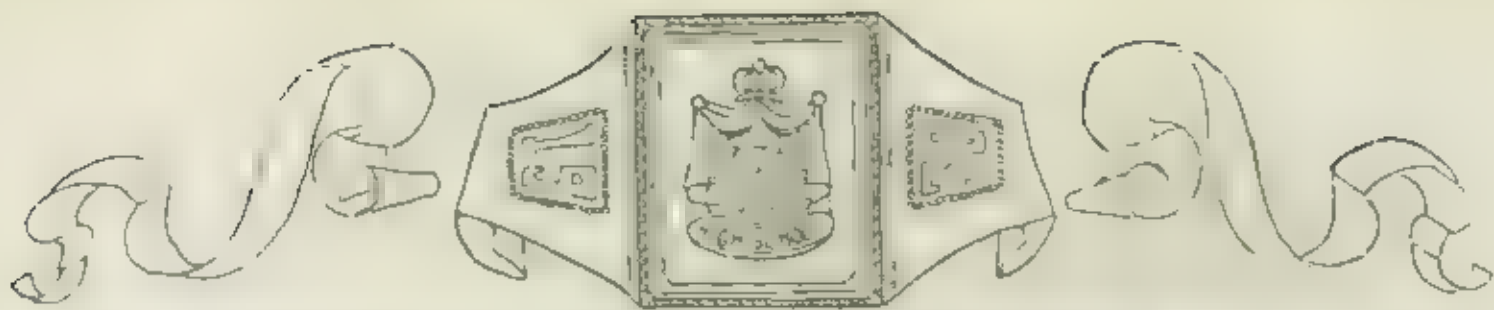

Two big questions, "What do you want to be?" and "What school do you want to attend?" became the center of interest in two lively discussion meetings. Vocation night dealt with the topic of our life career. At this meeting several representatives from the College Woman's Club, gave us interesting talks on college life, while others showed us vivid pictures of our college-life-to-be.

Forty club members, who have held weekly discussions, will receive Girl Reserve rings at the Mother and Daughter Banquet in June.

Perhaps the zenith of our year was reached in the Mid-Winter Conference of the Northwestern Pennsylvania Girl Reserves which was held in Warren on February 7, 8, 9. Miss Zelah Heinbaugh, Secretary of the Girl Reserves in Cleveland, Ohio, brought a fine message in her talk to us. From the opening session on Saturday morning until the Vesper Service on Sunday afternoon, not a thing was lacking to make the conference an overwhelming success.

Team work has been responsible for the great — I think that term would be applicable — year we have had. Such a year would not have been possible without the harmonious committee work and the hearty cooperation of all the members.

— SARAH BRISTOW.

HI-Y CLUB

THIS year the Hi-Y Club has been successful in its three-fold purpose of clean living, clean speech, and clean scholarship. It has accomplished these objectives by alternate social and discussion meetings. The former were enjoyed because of their entertaining programs, while the latter were enjoyed because of their serious nature. The quality of these meetings and the value received from them by each member have been responsible for keeping the Hi-Y from being merely a dinner club.

The 1930 Hi-Y Club has left a mark that has never before been equalled in the annals of Warren High School. It has succeeded in establishing a membership of one hundred and sixty-three. This makes it the largest Hi-Y Club in the United States.

Several new ideas were started in this year's club. One of these was a Faculty Dinner at which time the Hi-Y invited the men teachers of our school to be its guests at one of the weekly meetings.

This year the club elected Helen Pressel, who has so willingly given us valuable service, as an honorary member.

The annual Hi-Y Girls' Club play was, as usual, a huge success. "The Mad Honeymoon" was enacted by four students from the Girls' Club and eight from the Hi-Y Club.

The Hi-Y Girls' Club Hallowe'en party was held at the Y. M. C. A. this year. It was, needless to say, a "great time" for everyone who was there.

Several members have attended out-of-town conferences this year.

The following officers served during the year:

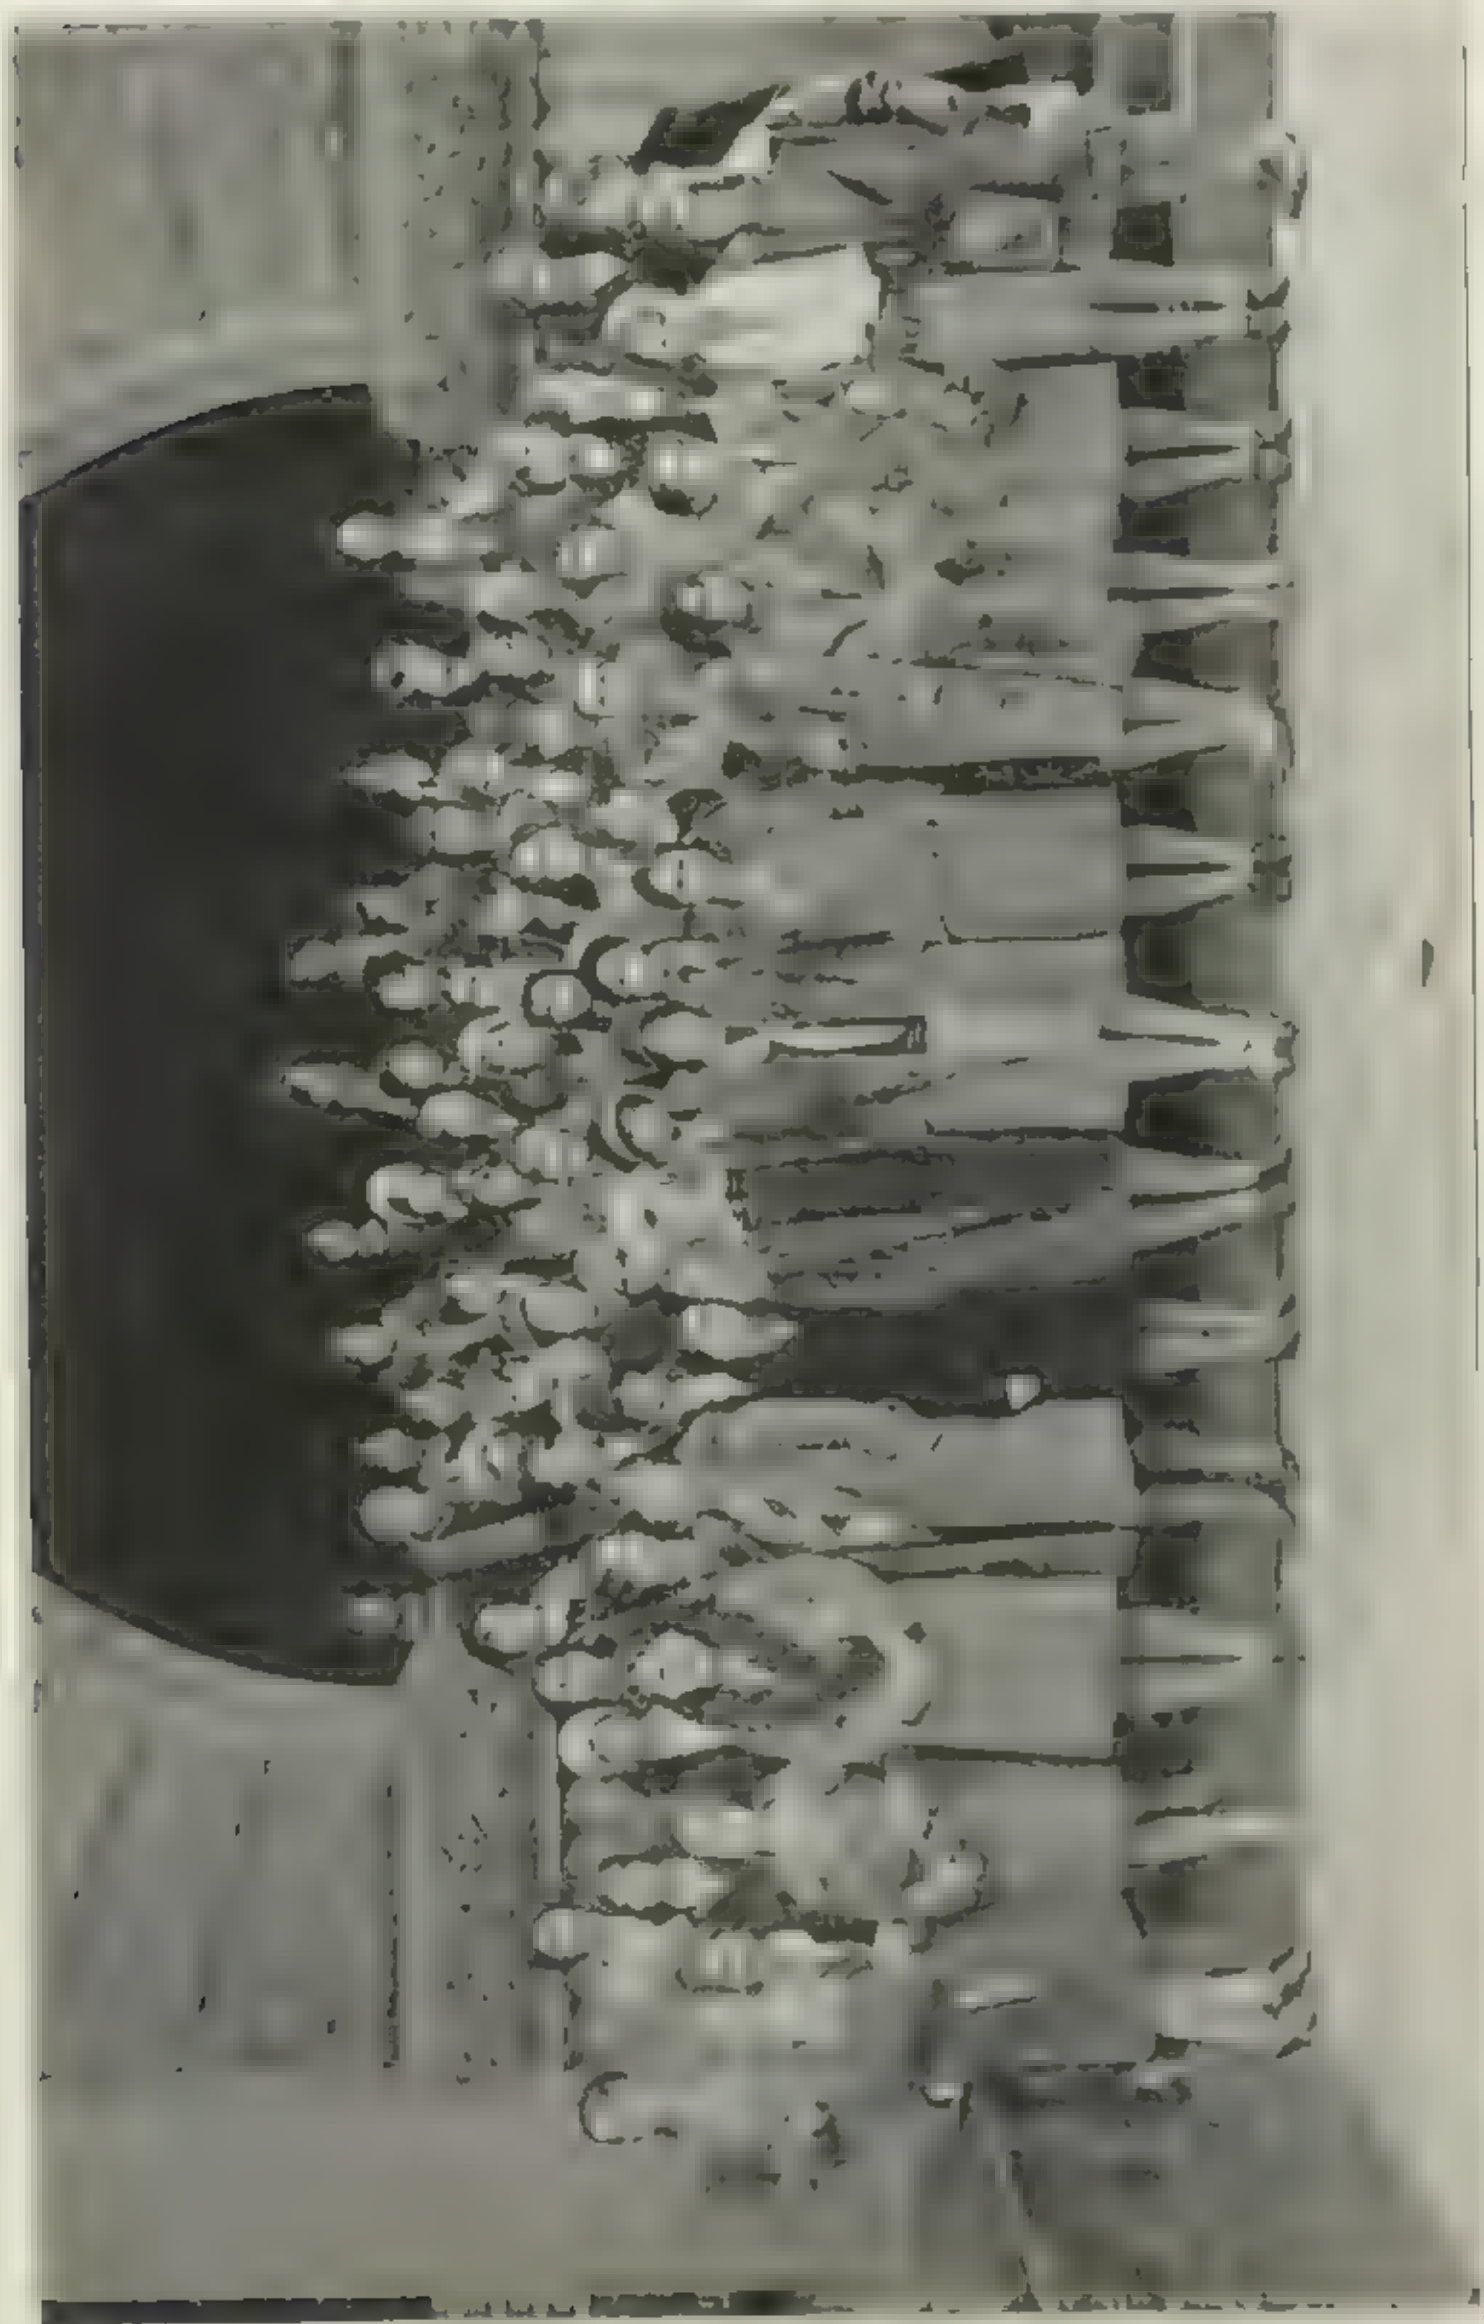

First Semester

<i>President</i>	DAVID A. SMITH, JR.
<i>Vice-President</i>	JACK BECKLEY
<i>Secretary</i>	ARTHUR CARLSON
<i>Treasurer</i>	WALTER J. MAURER

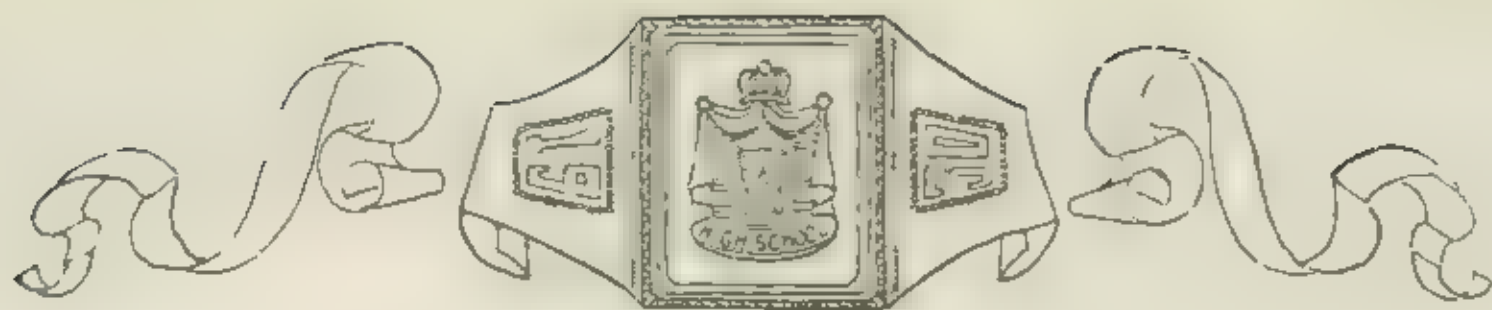

Second Semester

[Girls' Glee Club]—

GIRLS' GLEE CLUB

*Music it was we brought from heav'n,
On an angel's breath so pure,
And it alone may we carry back,
As a thing that shall endure;
And thus uplifted do we mount,
Like some celestial throng
To realms of world-forgotten joy
On wings of living Song!*

— GAINES.

IN the several years that the Girls' Glee Club has been existing very actively, there has been a constant endeavor, with a definite realization, to achieve the aim of increasing worth and accomplishment.

This year the experiment of organizing two glee clubs was successfully attempted. The first club consisted of juniors and seniors, and the second of underclassmen. Each group developed a program with numbers suited to the variance of the voices in its organization. With the combined efforts of both clubs, our hundred girls gave a concert of very high calibre.

This successful event was later celebrated by a dinner and dance at the Y. W. C. A.

During the year the club accepted a few outside engagements. In February, Glee Club I sang before an assembly of Warren County school directors at the court house, and in March it gave a concert in the Baptist Church.

Late in the spring the Glee Club will enter the contest at Clarion with the hope of receiving the much coveted loving cup. As usual, we shall give a concert at Reynolds-ville, the evening before the event at Clarion.

The splendid and unified response given Miss Milliren by the girls is proof of the esteem with which they regard her and the excellence of her work.

The trio, composed of Ruth Aubitz, soprano; Virginia Slacum, second soprano; and Margaret Erickson, alto, also deserves praise. Our accompanist, Helen Pressel, has given us the best of service during the entire year.

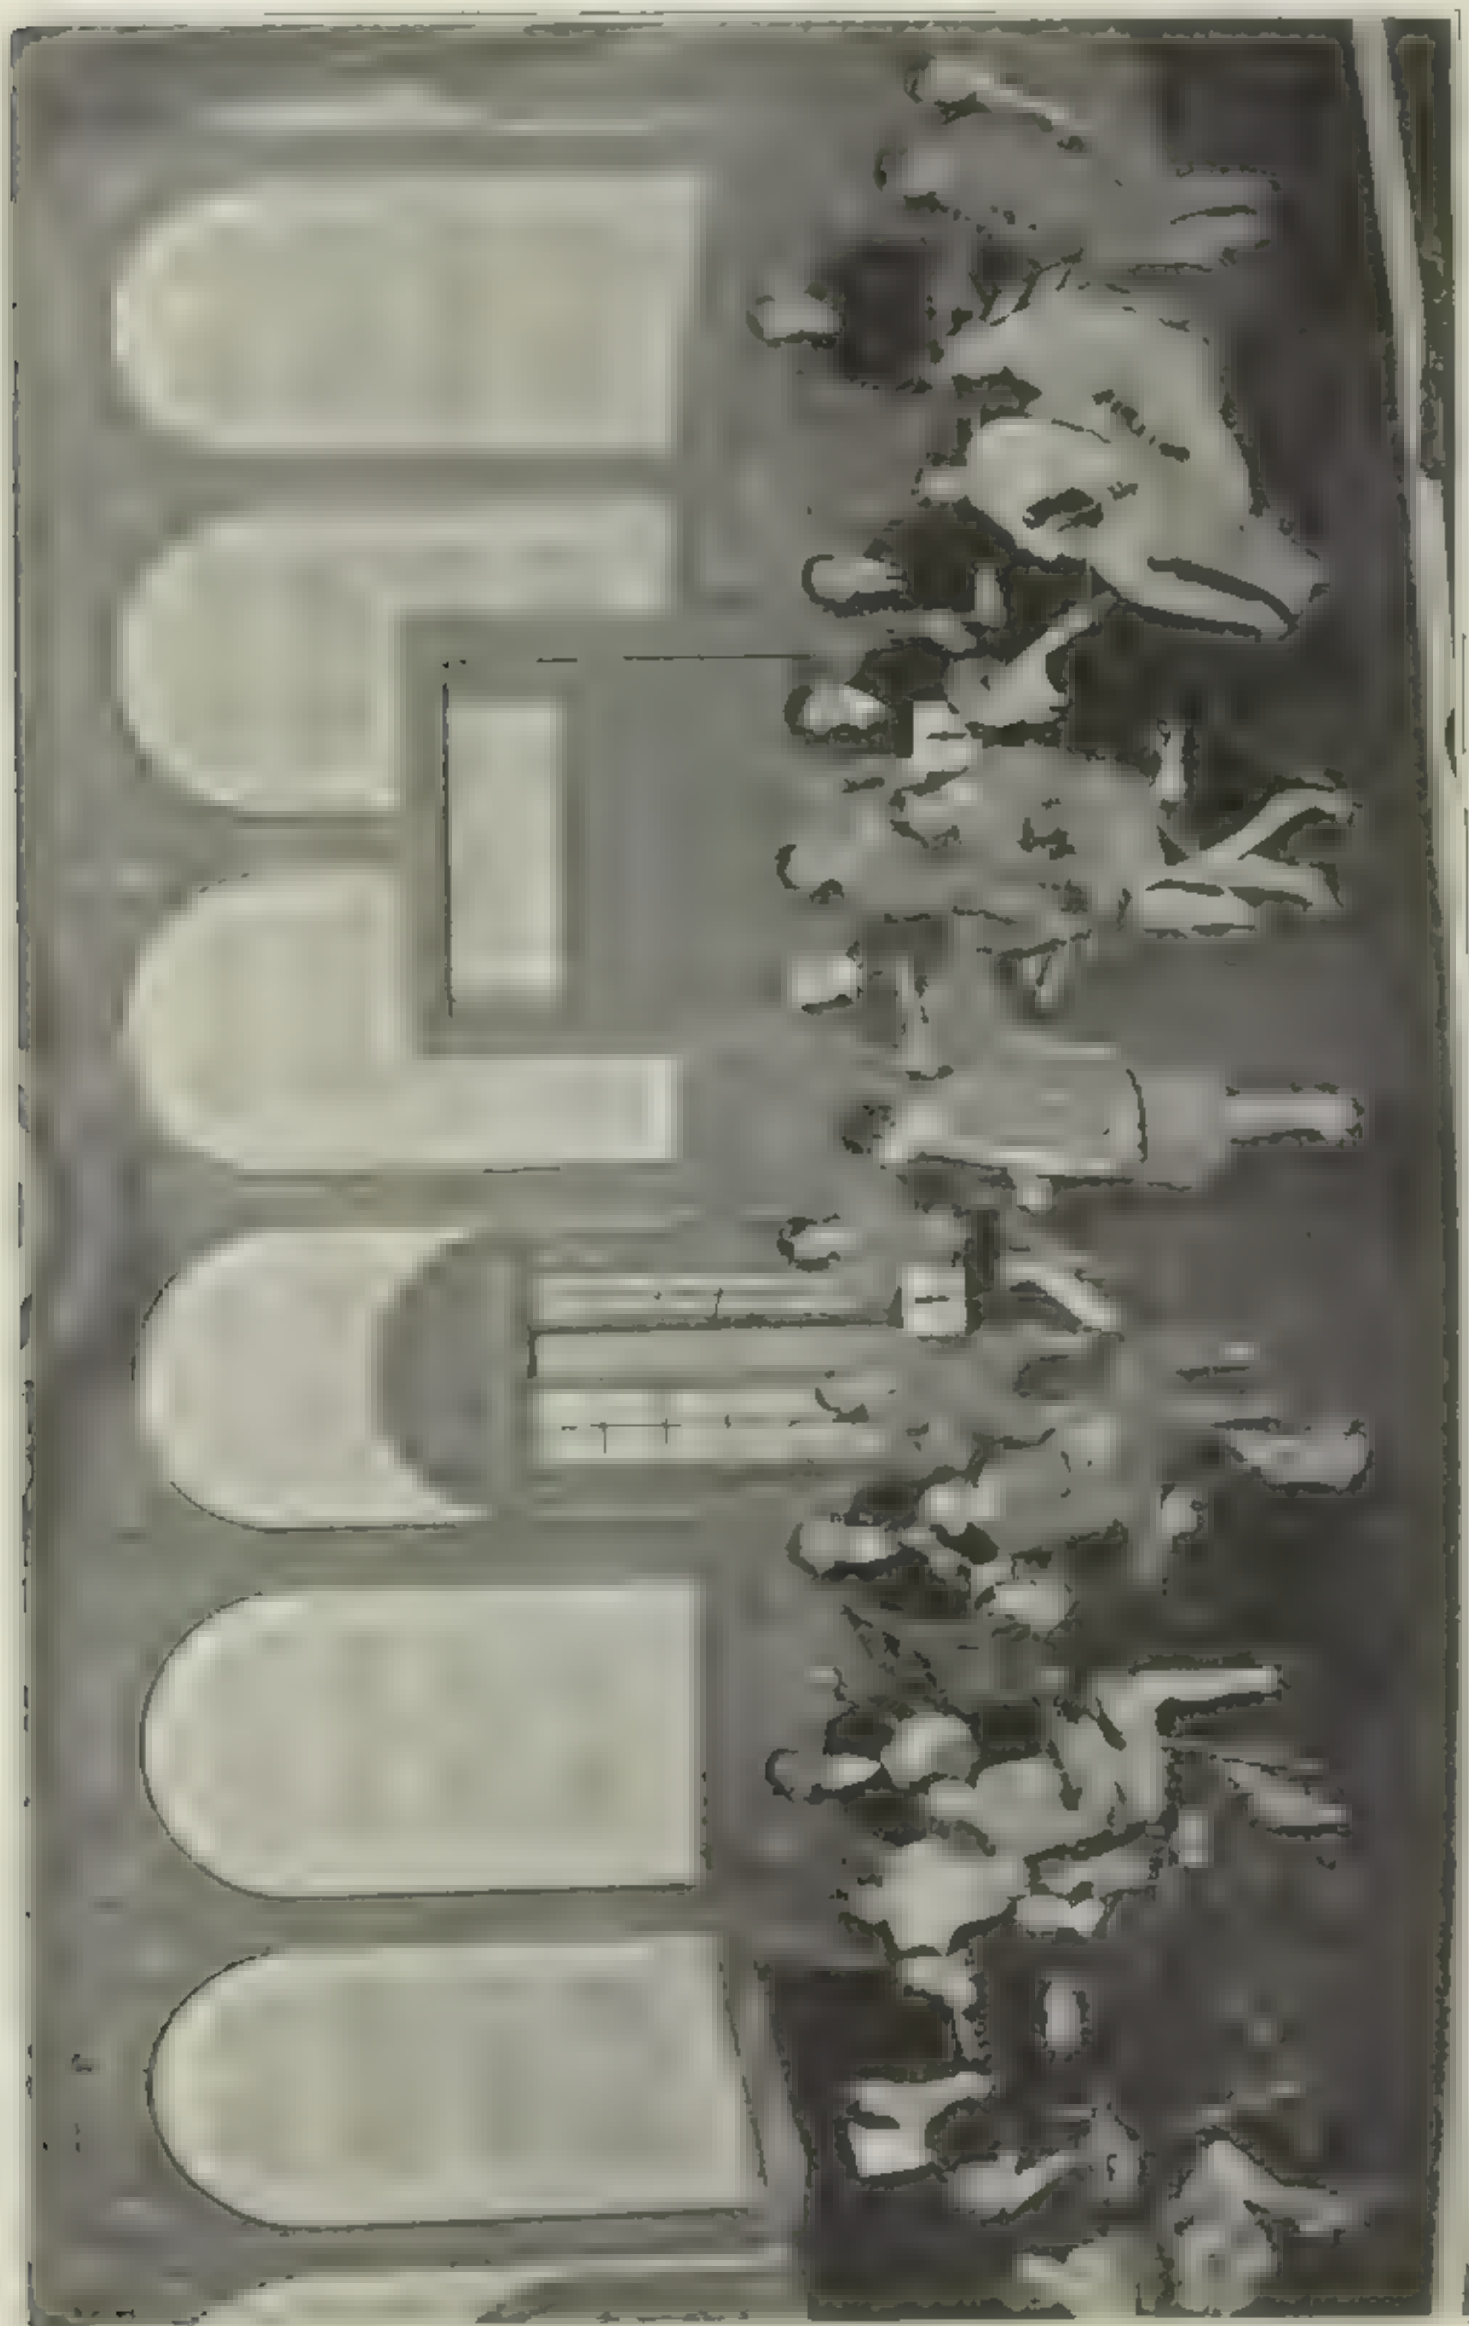

The officers of Glee Club I are as follows:

<i>President</i>	GRACE GREER
<i>Vice-President</i>	SARAH BRISTOW
<i>Secretary</i>	JEANNETTE MOHR
<i>Treasurer</i>	MARTHA DENTLER
<i>Librarian</i>	JANE KINKEAD

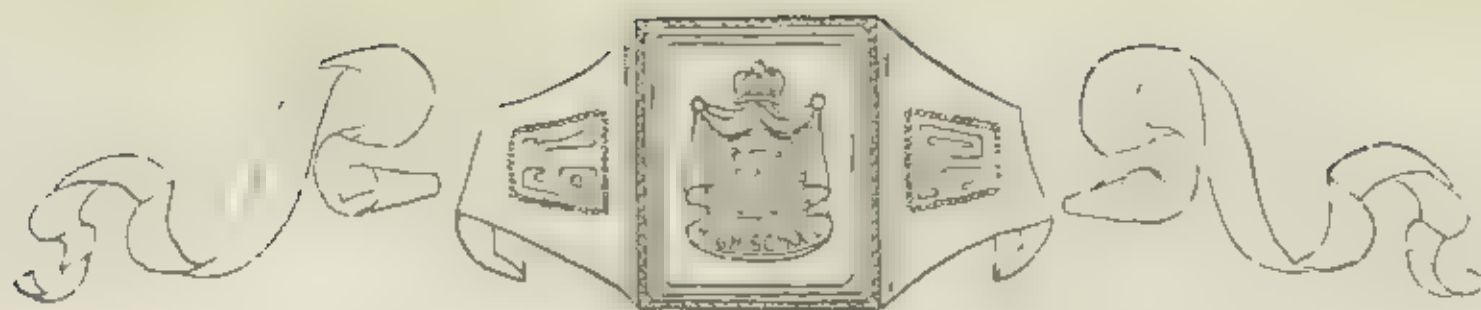

Those of Glee Club II are as follows:

A new instrument, the sousaphone, has been added to the number of instruments. At the present time the boys are still engaged in the learning process, but they expect to surprise and delight the student body at Assembly some day soon.

In addition to playing for the regular Assembly exercises every Friday, the orchestra played for the following plays: "The Night of Plays," "What Happened to Jones," "The Mad Honeymoon," and "The Creaking Chair."

DEBATING CLUB

THE Debating Club has held several meetings this year at which more or less impromptu debates were held. This type of debating was found very interesting. Several of the members became engaged in rather heated arguments but no casualties resulted.

The following officers were elected, at the first meeting, to serve for the year

<i>President</i>	DONALD C. ANDERSON
<i>Vice-President</i>	VIRGINIA SLACUM
<i>Secretary</i>	MARTHA DENTLER
<i>Treasurer</i>	DAVID A. SMITH
<i>Manager</i>	ERNEST MILLER

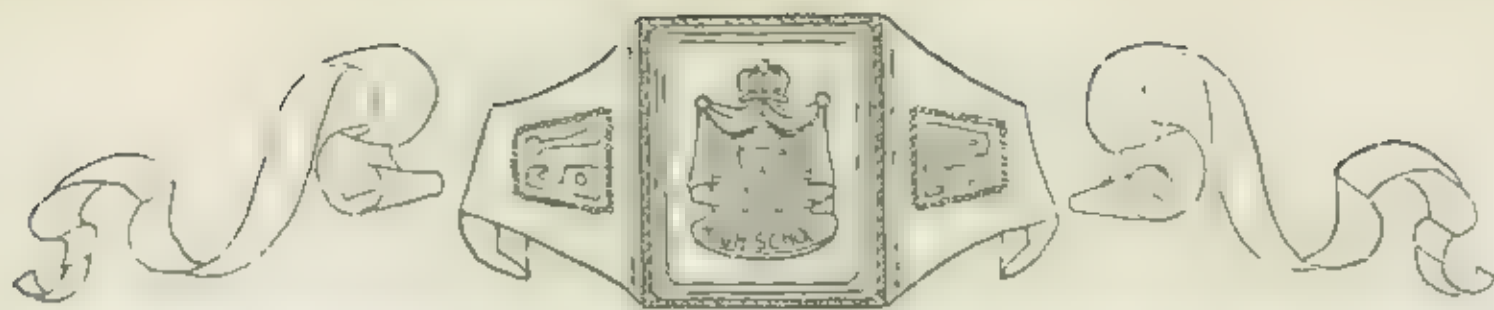

At the first two or three meetings Mr. Young, the new coach, gave short but very instructive talks on debating. He explained the two sides of the question that the club was to use in most of its major debates this year. The question was: Resolved that the mergers of present day manufacturing and public service corporations are to the best interests of the American people. In most of the major debates the affirmative side of the question was upheld by Virginia Slacum, Walter Maurer, and Donald C. Anderson, while the negative side was taken care of in a very capable manner by Ernest C. Miller, Frances I. Johnson, and Raymond Swanson.

Debates were held with Erie East, Central, Academy, Bradford, and Jamestown.

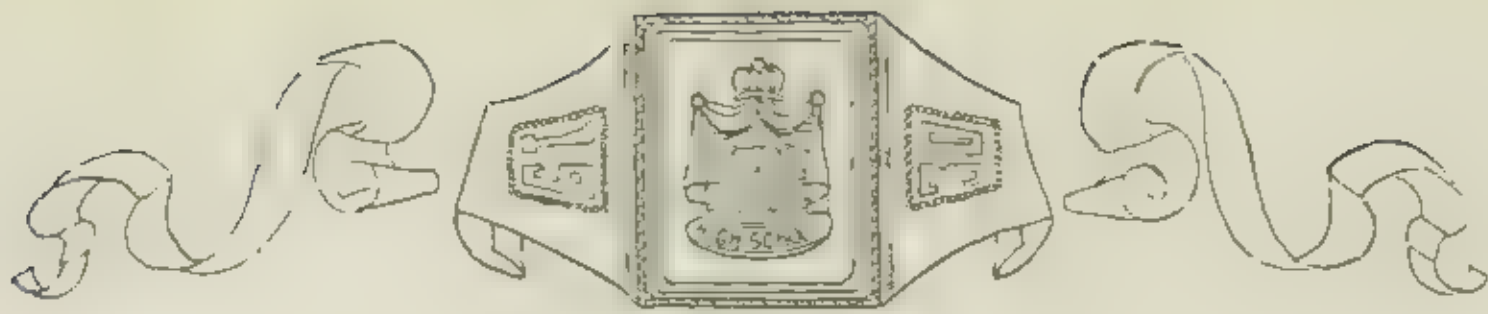

Members of the National Forensic League, who are now in School, are Donald C. Anderson, Walter J. Maurer, Virginia Slacum, Ernest C. Miller, Emma Anderson, Grace Greer, Raymond Swanson, and Frances I. Johnson.

For some reason it has been rather difficult to get anyone, outside of a few regular debaters, to take part in the various debates. Debating itself may be rather uninteresting at times, but it gives students who are incapable or, for some reason, do not wish to take part in athletics, a chance to uphold Warren High's prestige in active competition. Furthermore, debating is perhaps one of the most valuable extra-curricular activities. Debating trains one to think clearly, quickly, and logically. Not only does debating train one's mind, but it also helps to enable one to present one's ideas in a clear, convincing manner.

We hope that in the years to come more students will take part in this valuable extra-curricular activity.

LATIN CLUB

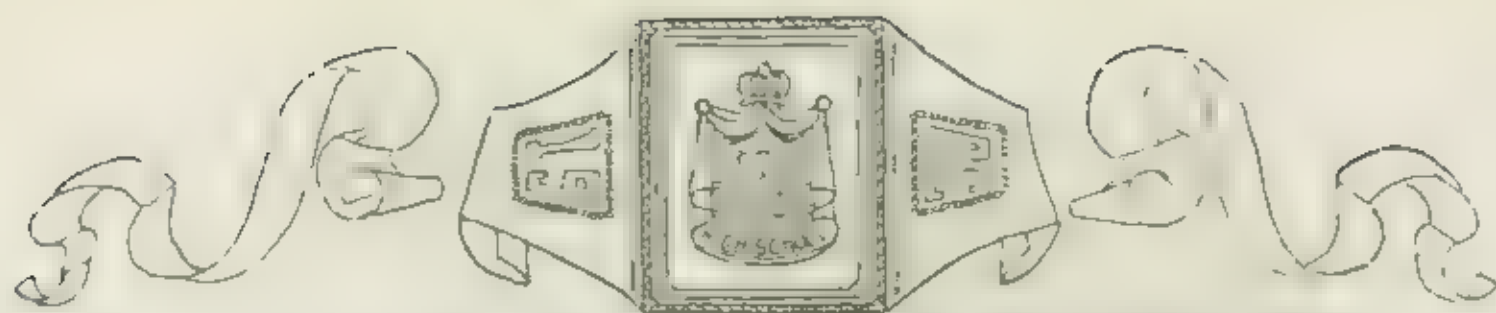

IN the past two years the membership of the Latin Club has increased from forty-six to one hundred and twenty-six members. Each Latin class has an individual club with its own officers. In the fourth year and the second year, first semester classes, the officers represent the Roman cities. In the second year and the third year, second semester classes, they represent the officers of the Roman Republic.

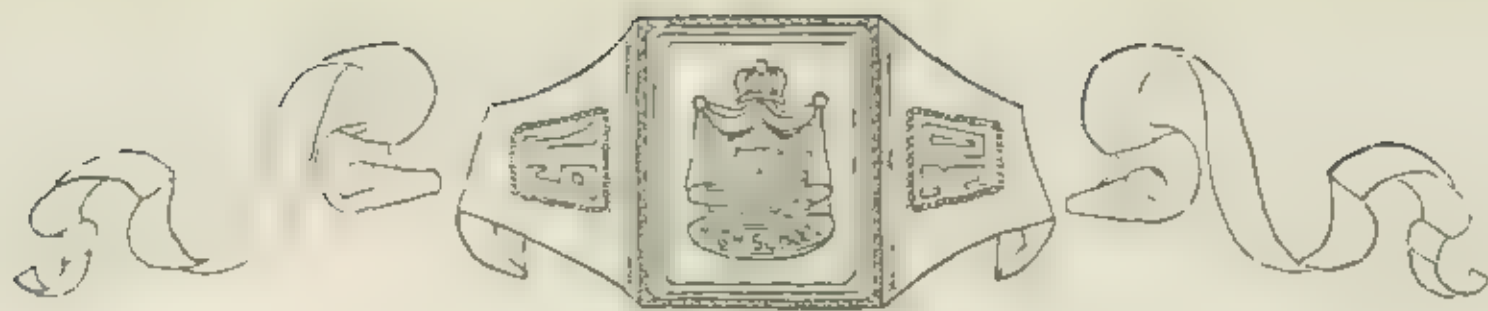

At Christmas time the Vergil class celebrated the feast of the Saturalia with appropriate speeches and games. On Valentine Day the Club had a Valentine program, consisting of ancient love stories. A song, "At Dawning," was rendered by Jeannette Mohr. At other meetings, the Club studied the life and works of Vergil.

In the third year classes the club had impromptu programs, comparing the Roman literary and political customs and statesmen with modern ones. In the second year classes the students had impersonations of deities. A very interesting program was carried out in the portrayal of a Roman wedding. The students had written original Latin poems, plays, and jokes. Each class was divided into two sections, the Gauls and the Romans. Each side had its own officers and presented its own programs. Points were given to the side having the best program, and the side having the most points was entertained by the losing side.

The purpose of all these programs was to acquaint the student with the people, the customs, the geographical and industrial features, the important feasts and holidays, and the famous personages of ancient and modern Rome.

As a fitting close to this year's activities, the third year class entertained the fourth year class at the third annual Roman banquet.

SPANISH CLUB

THE 1929-'30 Spanish Club was organized in September, and, resolving to carry on the work of the clubs of previous years, it gained a higher goal.

Interesting Spanish programs were presented each month. They consisted of parties, where games and dancing were enjoyed, a Spanish concert, and a hike.

The outstanding feature of the year, however, was the presentation of a Spanish program in assembly. The members of the club presented the Spanish play, "Uno de Ellos Debe Cusarse." The cast for the play were the following:

<i>Juan</i>	RICHARD HEASLEY
<i>Diego</i>	JOSEPH MASTRUCCI
<i>Luisa</i>	BERNADETTE AVERILL
<i>Tia Maria</i>	FLORENCE ANDERSON

Spanish songs, sung by Grace Greer and Sally Bristow, helped to make a well-balanced Spanish program.

A farewell party is now being planned in honor of those who will graduate in June.

Members of this club can be recognized by the official insignia, which represents the two great provinces of Spain: Leon and Castile.

The following students held the offices this year:

<i>President</i>	GRACE GREER
<i>Secretary</i>	FLORENCE ANDERSON
<i>Treasurer</i>	JOSEPH ALLEN

— [French Club]

FRENCH CLUB

THE members of the French Club can proudly boast of an unusually successful year.

Shortly after the beginning of the first semester, Miss Stone, our very capable leader in all French Club activities, called a meeting for the purpose of organizing. After the usual squabbling and excitement of an election, we announced the following officers:

<i>President</i>	JACK BECKLEY
<i>Vice President</i>	ROBERT SMITH
<i>Secretary</i>	FRED MAURER
<i>Treasurer</i>	MAC HAMILTON

These officers immediately started activities. A party, held in conjunction with the Spanish and Latin clubs, was given in the high school "gym" in November. Those feeling the urge to dance did so to the strains of a phonograph and a piano. Refreshments were served to the exhausted multitude. All this may sound uninteresting — but you should have been there.

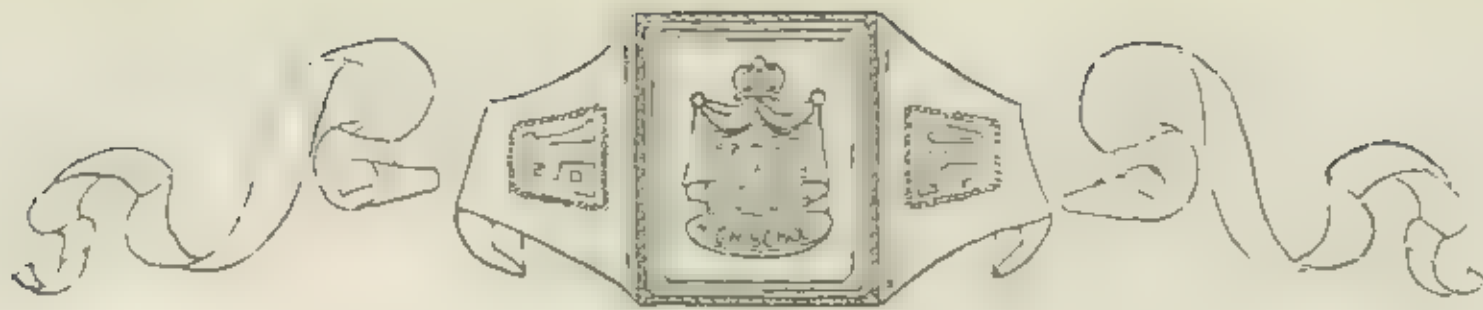

For a while at mid-term, except for an important business meeting, we did nothing. At the beginning of the second semester, we again came to life. After looking around and seeing no shadow, we made plans for the annual Mardi Gras to be held sometime during the early spring months.

In April the grand "ball" took place. Gaily dressed merry-makers came to the highly decorated "gym." Every detail was a great success — good "eats," good orchestra, and a good moon. Every one liked the moon.

This dance brought to a close our major activities for the year. The club wishes equal success to all future clubs whose members desire to master the French language.

— FRED MAURER.

STENOGRAPHERS' CLUB

"Efficiency · Our Goal"

THE Stenographers' Club was organized November 18, 1929, with a membership of forty-five students.

The following officers were elected:

<i>President</i>	FLORENCE PEARCE
<i>Vice-President</i>	FRANCES E. JOHNSON
<i>Secretary</i>	BARBARA EDINGER
<i>Treasurer</i>	LUCY MORAN

The purpose of this club is to aid the members in acquiring a knowledge of business, in learning the detailed requirements of the stenographic profession, and in acquainting themselves with general information, valuable to private secretaries. The development of these stenographic arts is promoted through discussions, readings, plays, and contests.

Meetings are held the first and third Mondays of each month, at which time a committee of five is appointed to arrange the program for the following meeting. These committees have proved themselves very competent and original, by presenting novel programs consisting of talks, plays which portray features of the business routine, humorous stories, written in shorthand to be transcribed by the members. The advertising campaign, in school and contests, with prizes awarded to the winners, stimulated much enthusiasm in the club, and they are largely responsible for the attentiveness of each member.

The members of this new club are the first from Warren High School to enter the national contest sponsored by the "Order of Gregg Artists." Thirty-five of the thirty-six participants who submitted shorthand copies passed the qualifications and received engraved certificates of membership in the O. G. A. Ethel M. Anderson and Louise Urbanski received gold O. G. A. pins as a reward for special merit in the contest.

The club expects to close the year's work with a banquet. The following menu has been proposed:

<i>Reverse Curve Soup</i>	
<i>Diphthong Hearts</i>	
<i>Broiled Word Signs</i>	<i>Consonant Chips</i>
<i>Stuffed Vocabulary with Short-Cuts</i>	
<i>Disjoined Prefixes and Mashed Circles</i>	
<i>Light-Line Cream and Expedients</i>	
<i>Blend Salad</i>	<i>Suffix-Noir</i>

Under the leadership of Miss Ruth Tillotson, the charter members of the Stenographers' Club have formed an active, helpful organization that should be carried on in the coming years by students who are interested in this profession.

BLUE AND WHITE

THE students enjoyed reading it; the Board enjoyed making it; and the magazine was a success financially. What more could a Board wish for?

Each year it has been a custom for the new Board to initiate a new department. This year's Board has just cause to be proud of its offering, the Alumni Department, which we feel will have a permanent place in the book.

The members of the Board were partly responsible for the success of these publications, but the greater share of the credit should be given to those students of Warren High who supported the "Blue and White" by their subscriptions and to those who made it interesting by their original and interesting contributions.

HOME ROOM CHAIRMEN

THE practice of having home room chairmen was started last year as an experiment. This year it has been established as a necessity and has proved increasingly advantageous to the student body and the teachers.

This year a chairman and vice-chairman were chosen to attend to the increasing amount of work carried on in the home rooms. The officers collect class dues, get subscriptions for school publications, make announcements, take charge of elections and balloting, and in some cases they take complete charge of attendance.

We hope that in the near future these chairmen will form a real organization that will eventually become a student council.

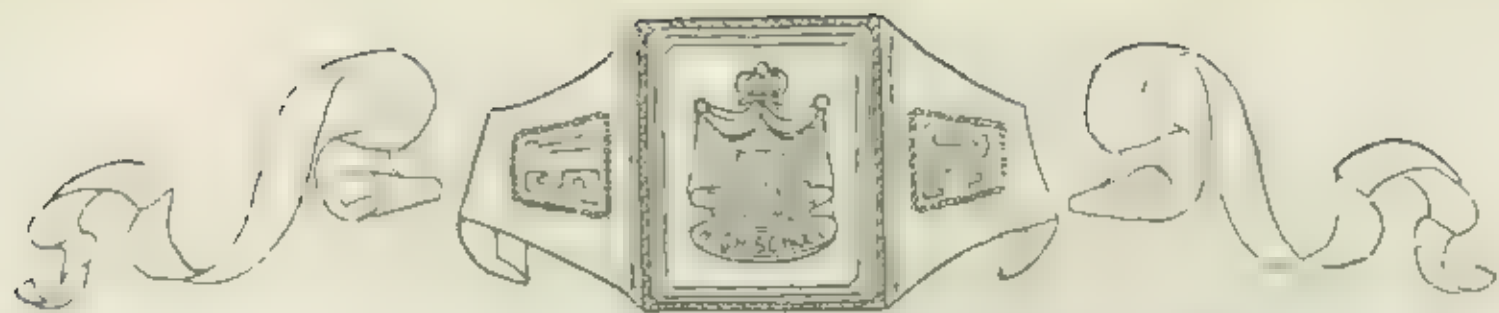

Below is a complete list of chairmen and vice-chairmen.

Chairmen:

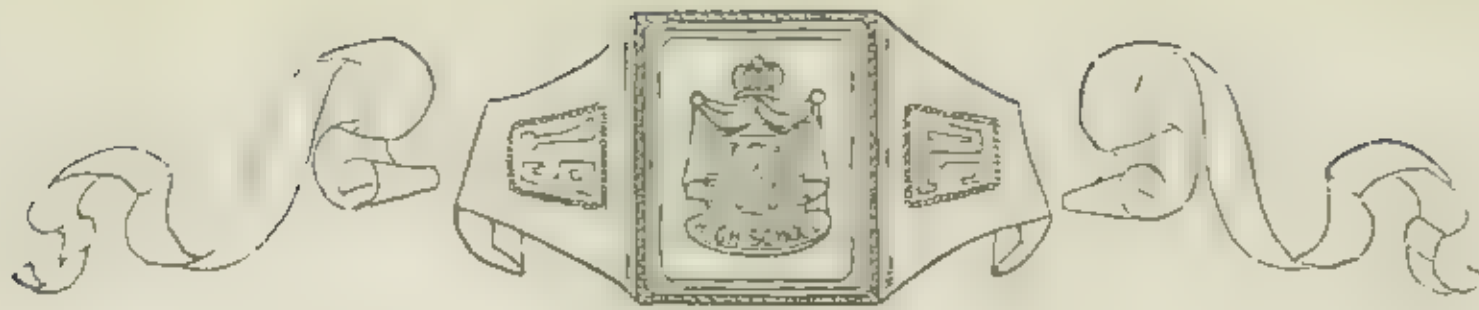

WILLIAM BEVEVINO
LOREN BIDWELL
RICHARD HEASLEY
WALTER MAURER
JOHN STEWART
ROBERT COATES
ROBERT HABEN

DRAMATIC CLUB

THE Dramatic Club for the year 1929-30 was organized in September. The following officers served the first semester:

<i>President</i>	WALTER J. MAURER
<i>Vice President</i>	MARIHA DENTLER
<i>Secretary</i>	KLAHR MEAD
<i>Treasurer</i>	HOWARD COLT

The Executive Committee, appointed by the president, consisted of Eugenia Kehr, Helen Pressel, and Howard Colt. Their work was to help plan the programs for the club.

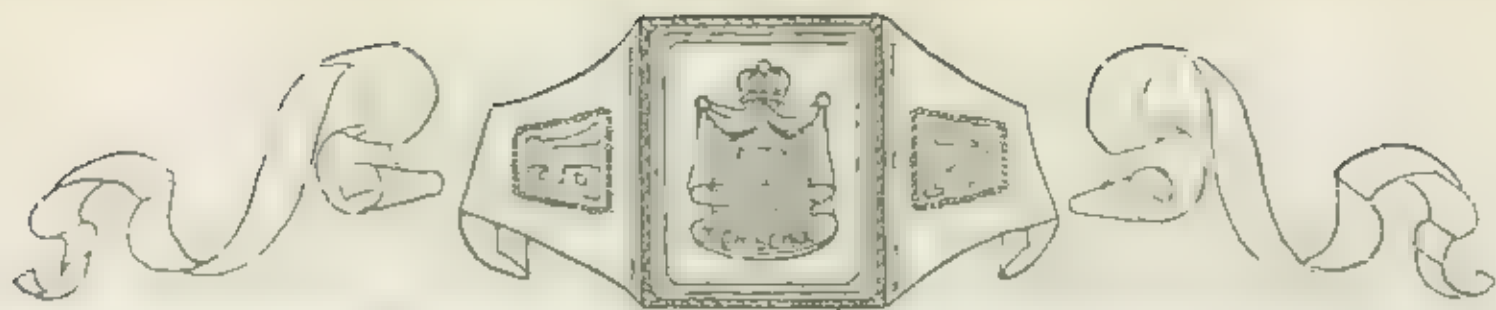

Some very original and very fine one-act plays were presented this year. Perhaps the most outstanding was the "Minstrel," written and directed by Miss Kahl. Everyone enjoyed the short plays in which almost every member of the club has, at one time or another, taken part. These plays gave Miss Kahl the opportunity to discover new talent for the more important dramatic work.

One of the big features of the year was the annual "Evening of Plays," consisting of a well rounded program in the form of a farce "O, Hamlet, Hamlet, Where Have You Been?"; a comedy, "My Neighbor's Wife"; and a mystery, "The Monkey's Paw." The proceeds from this play will be used in the purchasing of a new curtain for the stage.

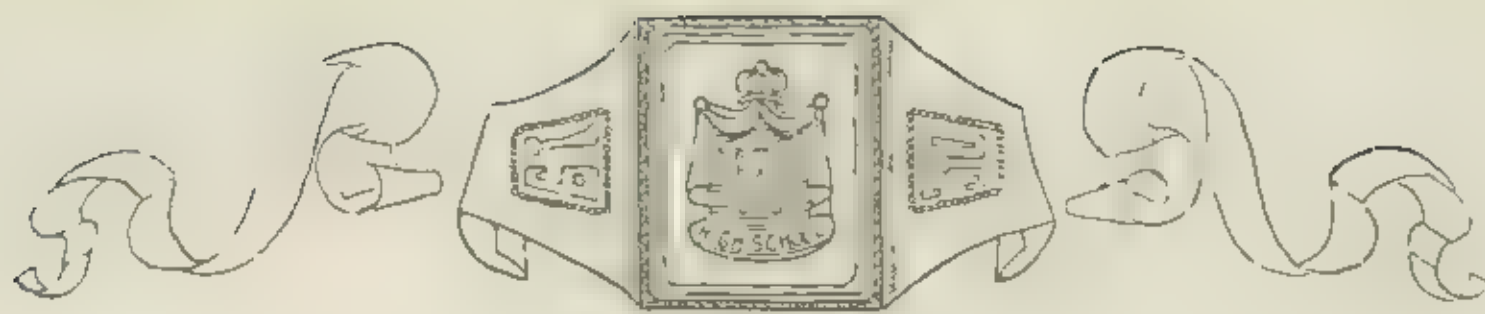

The following officers were elected to serve the second semester:

<i>President</i>	RICHARD HEASLEY
<i>Vice-President</i>	TOM WELLS
<i>Secretary</i>	LUCY DONALDSON
<i>Treasurer</i>	HOWARD COLT

A representative from the William's School of Expression gave the students a real treat. His clever impersonations were greatly enjoyed. At the meeting preceding this one, the program consisted of some very amusing impersonations of different members of the faculty. Many more good programs will be arranged before the year closes.

SENIOR PLAY

ONE of the really big events in high school activities — one that is always looked forward to by everyone — is the annual senior play. This year the seniors had reason to be proud of their offering, "The Creaking Chair," presented in Warren May 1 and 2, and in Youngsville May 6.

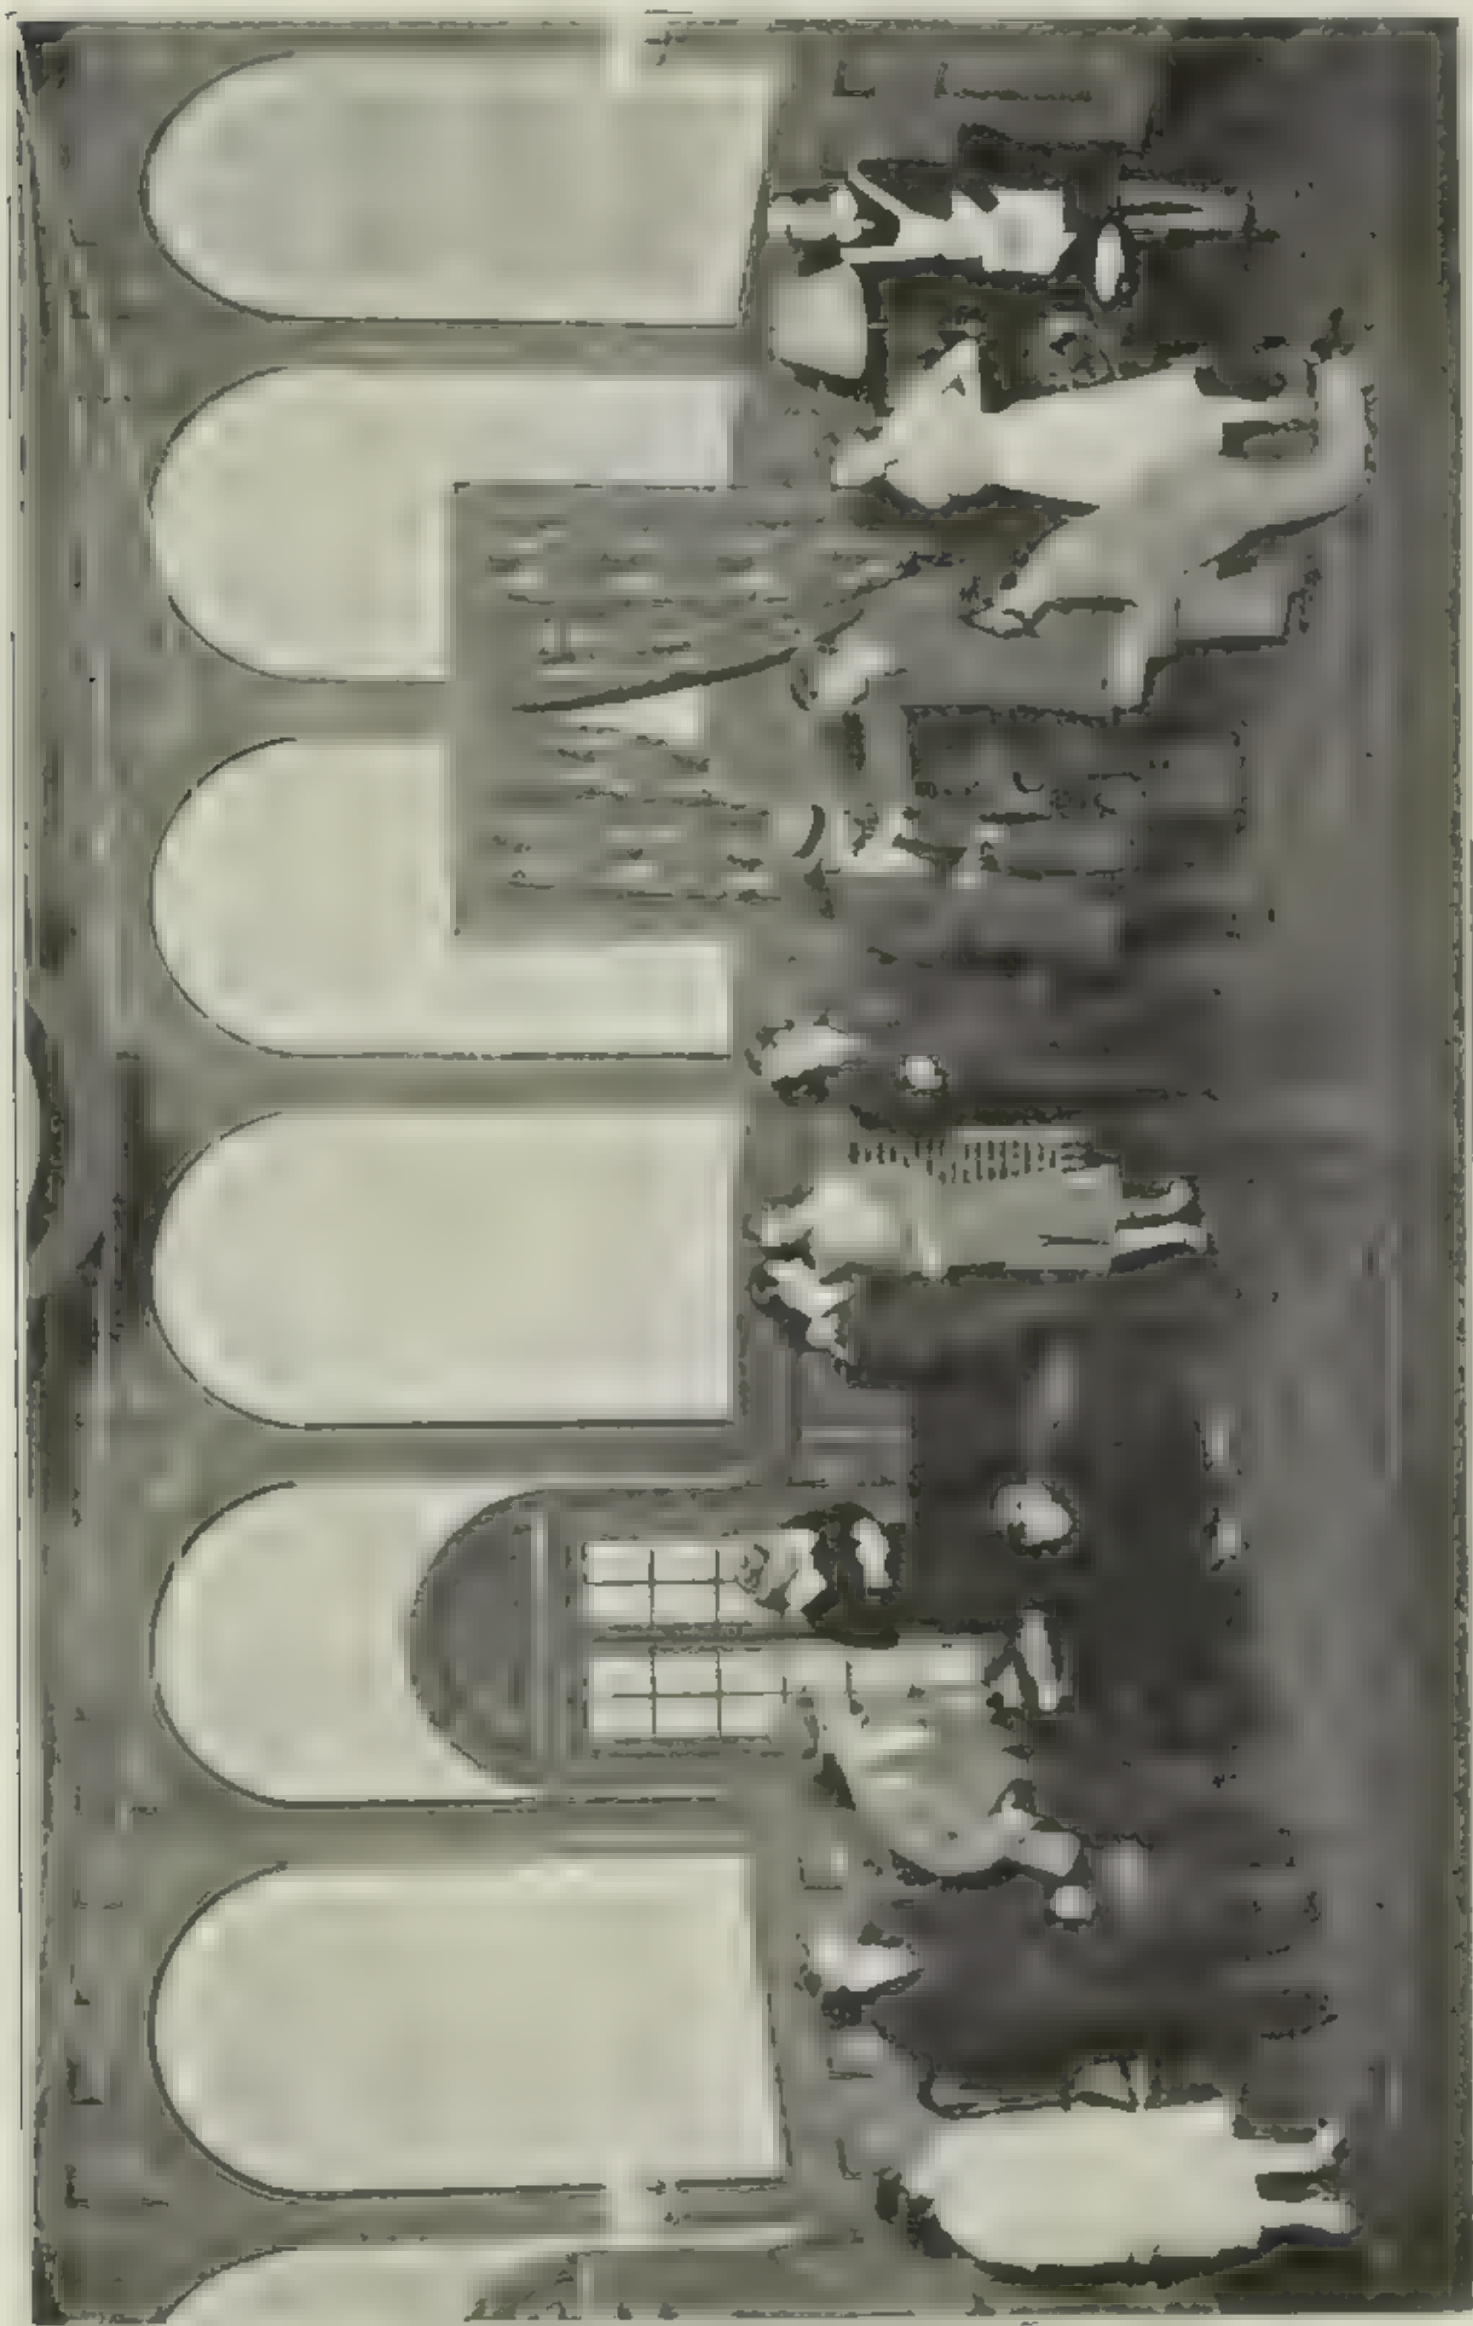

"The Creaking Chair," a farcial mystery play, has an English setting, although the characters are all affected in some way by the mysteries and beliefs of ancient Egypt. Edwin Latter, who is recovering from a knife wound, received in Egypt, is somewhat worried over the condition of his wife, Anita, who, due to her childhood experiences in Egypt, has a terrible aversion to anything blue. Latter receives from Egypt a valuable headdress sent by his colleague, Carruthers, who is secretly planning with Mrs. Carruthers to steal the headdress. Latter's daughter, Sylvia, is in love with John Cutting, a cub reporter. Cutting and his friend, Philip Speed, a journalist of some note, come to the Latter home on the evening of the arrival of the headdress, presumably to get a story about it. Holly is Latter's devoted butler and is more or less in love with Rose, the maid. On the morning, following the delivery of the headdress, Mrs. Carruthers is found murdered. For several reasons, all clues indicate that the murderer is one of the Latter household. Suspicion falls on everyone, including Hart, the detective from Scotland Yard and his two assistants, Henley and Bates. After many arguments, explanations, and revelations, Speed, who is actually an Egyptian and a member of the mysterious "Ulema," confesses his guilt.

The Cast of Characters

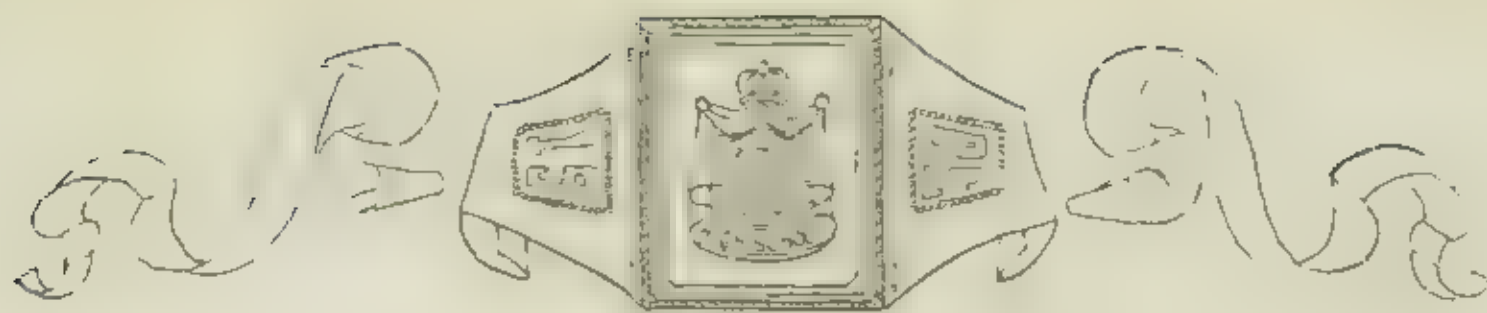

<i>Angus Holly, Latter's butler</i>	RICHARD HEASLEY
<i>Assai Aissa, an Egyptian</i>	TOM WELLS
<i>Anita Latter, Latter's wife</i>	RUBY JENSEN
<i>Rose W'inch, a maid</i>	VIRGINIA SLACUM
<i>Edwin Latter, an archeologist</i>	WALTER MAURER
<i>Sylvia Latter, Latter's daughter</i>	MARGARET HAMILTON
<i>Eleanor Carruthers, wife of Latter's associate</i>	HARRIET BORG
<i>John Cutting, a cub reporter</i>	HOWARD COLT
<i>Philip Speed, a journalist</i>	RICHARD DENTLER
<i>Oliver Hart, Inspector from Scotland Yard</i>	DONALD C. ANDERSON
<i>Henley, a detective</i>	JAMES MADDEN
<i>Bates, another detective</i>	ROBERT DAVIDSON

As comedy leads, Dick Heasley, Virginia Slacum, and Jim Madden furnished the amusement; while Walter Maurer, Donald Anderson, and Ruby Jensen kept the tension high. Dick Dentler swayed his hearers with his oratory, and Howard Colt and Margaret Hamilton were greatly appreciated as the young lovers. Harriet Borg and Robert Davidson added to the pleasing effect of the whole play, and Tom Wells lent Egyptian atmosphere.

The credit for the successful production of this play can, as usual, be laid at the feet of Miss Kahl, who again demonstrated her ability to produce a splendid play while working with a cast in which many were inexperienced.

THEY ARE

HI-Y GIRLS' CLUB PLAY

ON the evening of February 28, the Girls' Club and the Hi-Y presented for their annual play, "The Mad Honeymoon," by Barry Connors. This play was highly entertaining because it had so many laughs and so much action.

The main plot has to do with the implications arising from Peggy Colgate's elopement with Wally Spencer and the very unconventional efforts of Peggy's father in helping the elopement along. Mrs. Shannon, Colgate's housekeeper, only partially understands what's happening, and her efforts to stop the elopement are very comical as well as extreme.

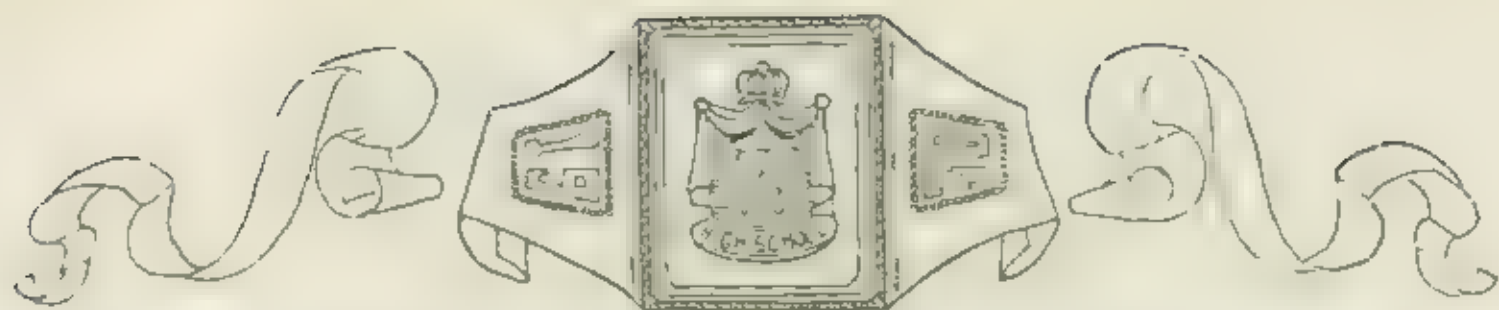

The sub-plot has to do with stolen bonds and the efforts of Bill Cripps and Parson Crandal, two crooks, to place the blame on Duke Wilson, a reformed criminal, who has married Marie, a maid in the Colgate home. Still further complicated situations arise from the efforts of Obediah Eads, a small town constable, who is in constant trouble of Mrs. Eads, to place whomever he sees under arrest. Kennedy, a detective, does his part to straighten out the arrests and to capture the real criminal. Jimmy Rawlinson, a lawyer, also tries his hand at straightening out the complicated situation, but only succeeds in making matters worse. Finally Duke Wilson, by a clever piece of strategy, clears up the whole matter in a few minutes.

[Junior Play]

"WHAT HAPPENED TO JONES"

THE Junior Class won much applause upon the presentation of their class play, "What Happened to Jones," a three act farce by George H. Broadhurst. The public was unanimous in declaring this one of the most finished and most laugh producing plays ever staged in the high school auditorium. A good looking and a good working cast made it pleasing to the eye and to the ear.

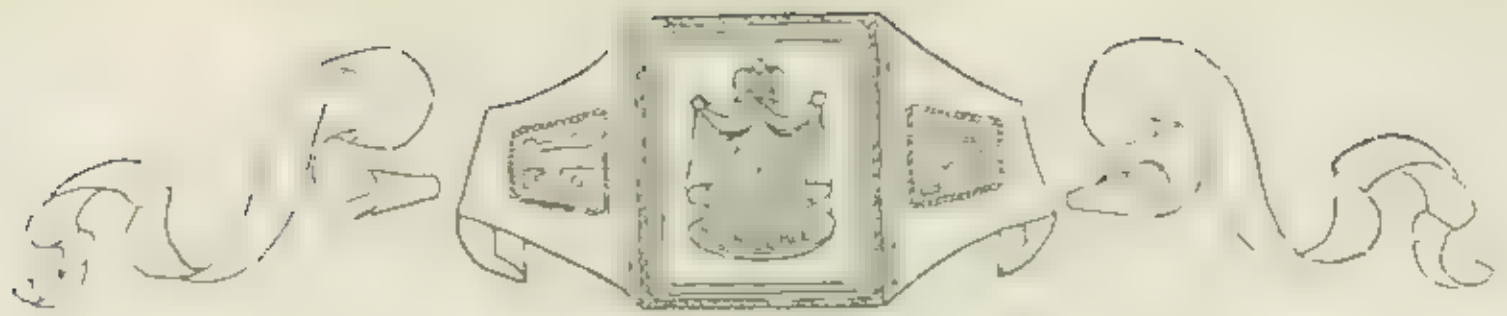

The Cast was as follows:

<i>Jones, a hymn book salesman</i>	TOM CREAL
<i>Ebenezer Goodly, a professor</i>	GERALD IRWIN
<i>Antony Goodly, D. D., Bishop of Ballarat</i>	FRED MAURER
<i>Richard Heatherly, fiance of Marjorie</i>	WALLACE LOTT
<i>Thomas Holder, a policeman</i>	ROBERT WHEELOCK
<i>William Bigbee, an inmate of a sanitorium</i>	RICHARD GRAY
<i>Henry Fuller, the superintendent</i>	MAC HAMILTON
<i>Mrs. Goodly, Ebenezer's wife</i>	EUGENIA KEHR
<i>Cissy, their ward</i>	LUCY DONALDSON
<i>Marjorie</i>	} <i>their daughters</i>	MARTHA DENTLER
<i>Minerva</i>		REGIS NIVER
<i>Alvina Starlight, Mrs. Goodly's sister</i>	MARY HUBLEY
<i>Helma, a Swedish maid</i>	RACHEL OLSON

The plot shows the ingenuity of Jones in getting out of the many perplexing situations when, for protection, he poses as the Bishop of Ballarat.

The play was produced under the direction of Anna Louise Kahl.

— FRED DONOVAN.

BOYS' ATHLETIC ASSOCIATION

THE Boys' Athletic Association held its first meeting on the first of the year. At that time the students were enrolled and the following officers were elected:

<i>President</i>	RICHARD HEASLEY
<i>Vice-President</i>	ROBERT SCHINDLER
<i>Secretary</i>	WILLIAM BEVEVINO
<i>Treasurer</i>	P. W. M. PRESSE

Throughout the entire year the members of the Association have supported the school activities in every way possible. At the end of the football and basketball seasons a sweater was presented to each new letterman.

The annual football and basketball dances and banquets were declared unusually successful and enjoyable.

At the ice cream social held at the "Y. M.", the members showed their ability to make ninety five bricks of ice cream disappear in less than a half hour.

It always makes the teams feel more like fighting hard if they feel that someone is interested in their welfare. The citizens and merchants have shown their interest in our school and its activities by giving their support to the teams in various ways. We wish to thank every one of them for his kindness.

The Masterson Transfer Company solved the problem of transportation by carrying the football squad to and from the field in one of their trucks.

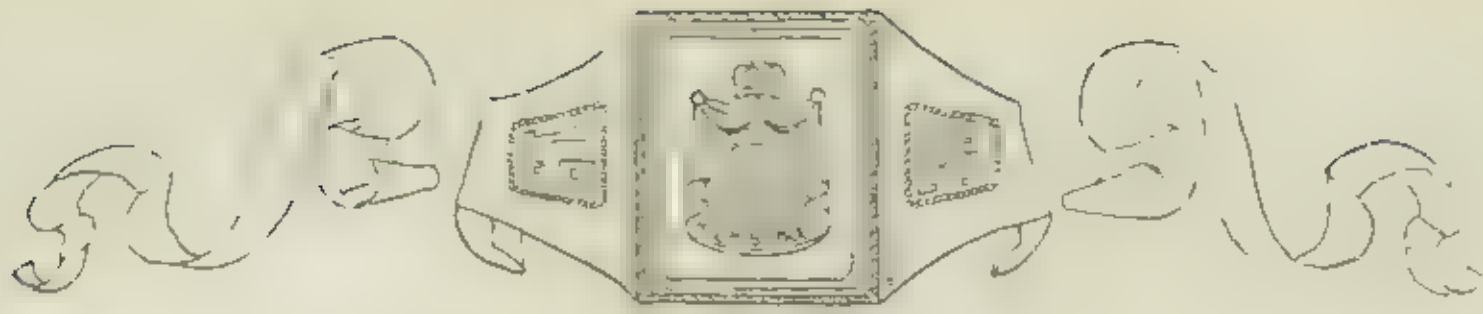

Mr. Sarvis entertained the entire football squad at the Library Theatre.

The Gandy Oyster House gave a dinner for all who played in the Jamestown game.

The Flks' Club held a dance and luncheon in honor of the football squad.

The Warren Furniture Company provided the Athletic Association with a place to store the bleachers.

We also wish to express our thanks to all those officials and professional men who donated their services during the year.

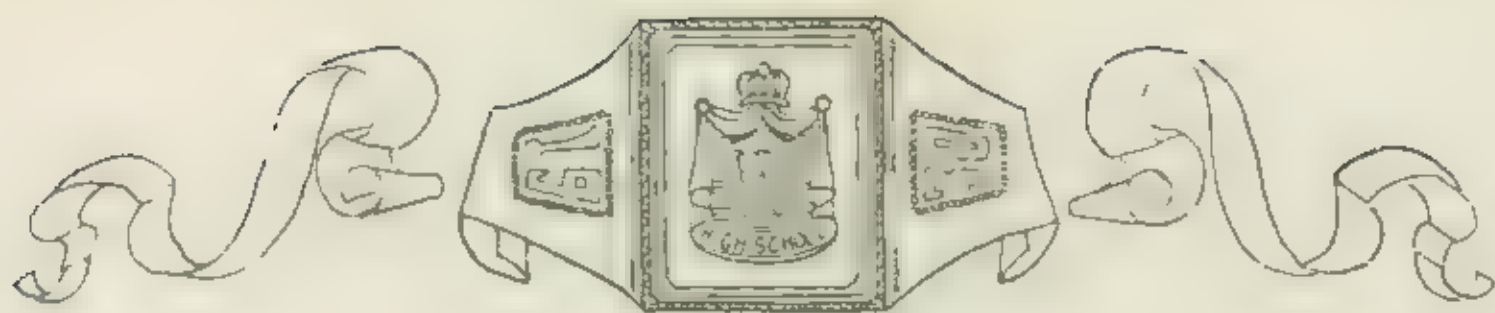

FORESTRY CLUB

THE Forestry Club organized some time ago and is now quite active, and several of the fellows have made expeditions into the woods to study nature. The club has always held itself in readiness to be of service in any way possible to Warren's Forestry Department.

One of the things that this club does best and actually likes to do is to fight forest fires. Several promising young fires have been "nipped in the bud" by the members of this organization. Two large boxes containing all the equipment necessary to put out a fire are kept in readiness for an emergency call.

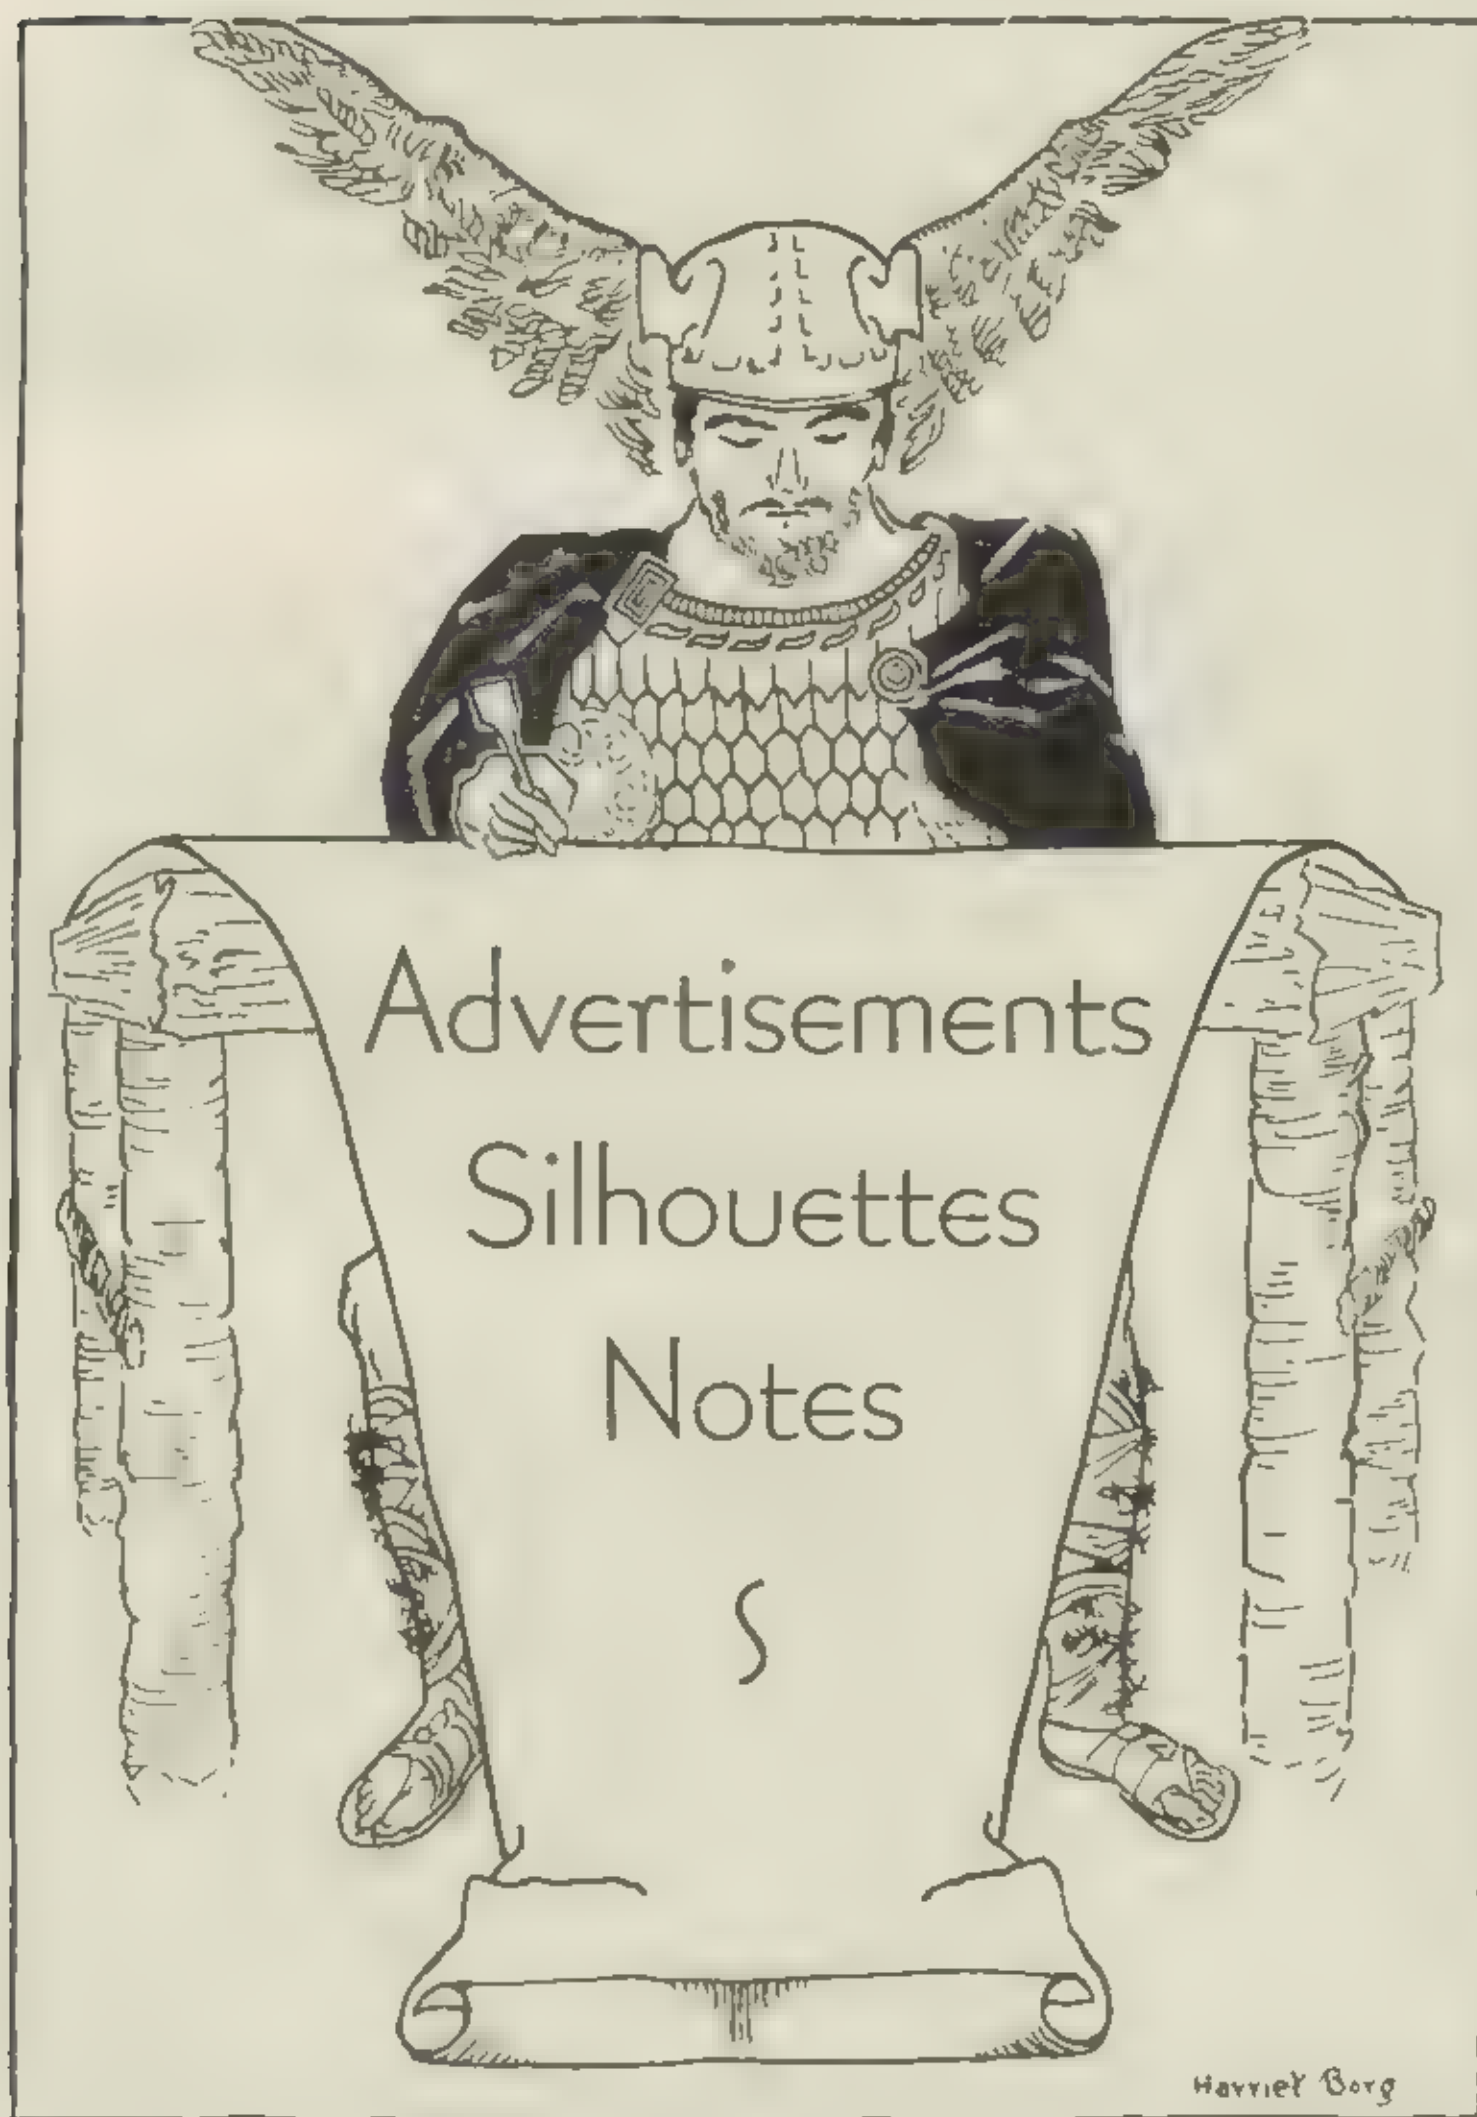

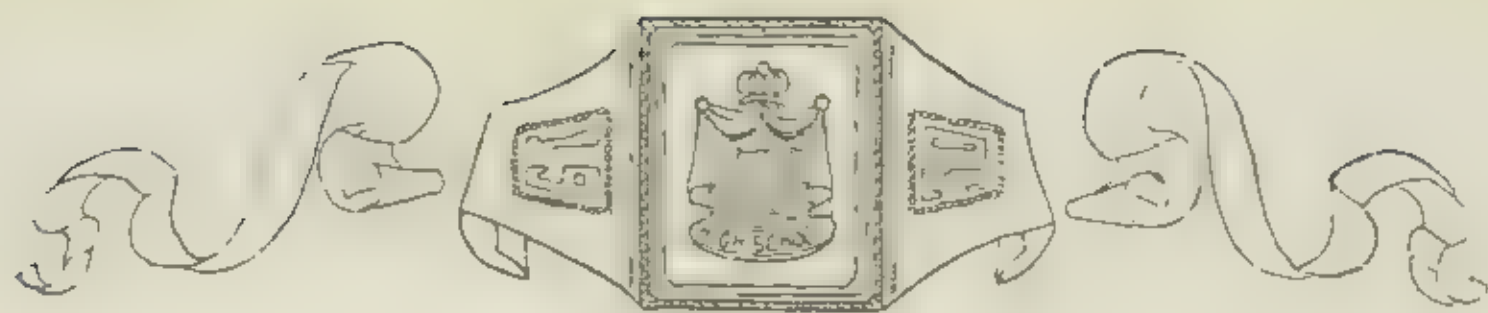

The study of forestry is closely allied to tree surgery and the care of trees in general. Next year the club expects to start a class in the care of trees. Tree surgery is fast becoming a profession of importance. This class should give the students, interested in forestry, a chance to see if they might be interested in making tree surgery their life work.

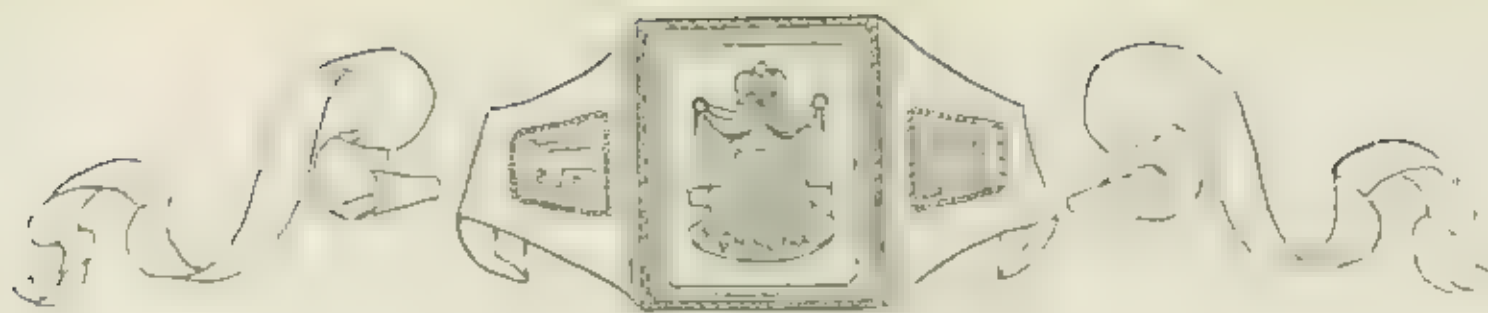

William Moran was the student leader of the club. Mr. Hetrick was the faculty adviser of the club.

REFERENCE

"WANTED — A young man with character and ability — experience unnecessary — must furnish references — good opportunity for the right man — Apply at Blaine Company, head office, at 9:00 o'clock, Thursday morning.

The President of the corporation which had advertised had almost finished interviewing the applicants. There was but one young man remaining in the large office, and finally he was called into the private office. After hearing the youth's answers to the many routine questions, the official asked him to produce his references.

"This is the only reference I have, sir," said the young man, and produced a time-worn savings account pass book.

The older man looked over the book carefully, and noticed the series of regular deposits and the tidy balance the young man now had in the bank.

"You may report for work on Monday morning," smiled the President, and shook the hand of the delighted youth.

After being asked by another officer just why he had selected that particular youth for the position, the President replied, "Any young man who can take care of his own money should certainly know how to handle ours."

A good banking connection with a strong, dependable bank affords an excellent reference. Start your account here at once.

HERE is a simple and workable

RULE for Spending less than you Earn

The first thing, each pay day put away about 10 per cent. of your earnings, and then spend the remainder as you please. In other words, spend what you do not save, rather than save what you do not spend.

By saving first, and spending what is left, you will automatically cease buying the things which are the least necessary for your present comforts and happiness.

Like life, we get out of high school just what we put into it.— JUNE SNYDER.

Warren High School to me has meant the meeting of friends, and the receiving of the
most sincere and genuine affection.

More Than an Ideal

NO BREAD can be consistently good unless the organization that sponsors it is keyed to a constant high standard of technical efficiency. So the Warren Baking Company, instead of making quality merely an ideal, makes it the guiding principle of every operation. And people find they can depend always on the same fine bread when using

THINK FIRST OF WARDS!

Say, fellows, the next time you need a real noisy tie, step into Wards and give yourself a real treat. While you are there, give our suits the "once over." The prices will seem too low. That's what is to be expected at Wards.

Now girls, I want to give you a tip. Wards are showing some of the cleverest dresses that ever hit Warren. They will make you look most charming at a price that will make Dad smile.

Make it a habit to think first of Wards. You will enjoy shopping where prices are always within the reach of your pocketbook. Keep in mind we never sacrifice quality to make a price.

ice for my neck." "Oh."
